Respondent.

Docket No. TSCA-07-2025-0040

EXPEDITED SETTLEMENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (“EPA”) is authorized to enter into this Expedited Settlement Agreement (“Agreement” or “ESA”) pursuant to Section 16(a) of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a), and 40 C.F.R. § 22.13(b).

1. The U.S. Environmental Protection Agency (“EPA”) alleges that JCREM, LLC (“Respondent”), failed to comply with certain regulations governing residential property renovation, in violation of Section 409 of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2689 *et seq.*

2. Section 402(c) of TSCA, 15 U.S.C. § 2682(c), requires the Administrator of EPA to promulgate regulations governing renovation and remodeling activities to ensure, among other things, that contractors engaged in such activities are certified by EPA to perform these activities. These regulations are codified at Part 745 of Title 40 of the Code of Federal Regulations.

3. Section 409 of TSCA, 15 U.S.C. § 2689, states that it shall be unlawful for any person to fail or refuse to comply with a provision of this subchapter or with any rule or order issued under this subchapter.

4. On July 9, 2024, pursuant to Section 11 of TSCA, 15 U.S.C. § 2610, representatives of the EPA conducted a records inspection at the Drury Plaza Hotel in Columbia, Missouri, to evaluate Respondent’s compliance with TSCA and the requirements of the Renovation, Repair, and Painting Rule (“EPA inspection”).

5. The EPA inspection revealed that Respondent had performed renovations for compensation at the following properties, which are “target housing” as defined by Section 401(17) of TSCA, 15 U.S.C. § 2681(17):

- 525 East Capital Avenue, Jefferson City, Missouri 65101 (built 1920’s)

6. The regulation at 40 C.F.R. § 745.81(a)(2)(ii) prohibits firms from performing, offering, or claiming to perform renovations without certification from EPA under 40 C.F.R. § 745.89 in target housing or child-occupied facilities on or after April 22, 2010.

7. Respondent, as a firm which performs, offers, or claims to perform renovations for compensation on housing constructed prior to 1978, is required to obtain firm certification from EPA. The EPA inspection revealed that Respondent failed to obtain initial firm certification from EPA to perform renovations, in violation of 40 C.F.R. §§ 745.89(a)(1) and 745.81(a)(2)(ii).

8. The regulation at 40 C.F.R. § 745.86(b) requires firms performing renovations to retain and, if requested, make available to EPA all records necessary to demonstrate compliance with the RRP Rule for a period of three years following completion of the renovation.

9. Respondent performed renovation projects on the “target housing” as described in Paragraph 5 above. The EPA’s review revealed that Respondent failed to prepare and retain records of the renovation projects, as required by 40 C.F.R. §§ 745.86(a) and 745.86(b)(6). Respondent therefore violated Section 409 of TSCA, 15 U.S.C. § 2689.

10. In determining the amount of penalty to be assessed, EPA has taken into account the factors specified in Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B). After considering these factors, EPA has determined, and Respondent agrees, that settlement of this matter for a civil penalty of four hundred dollars (\$400) is in the public interest.

11. Not more than thirty (30) days after the effective date of the Final Order, Respondent shall pay the penalty amount listed in Paragraph 10 by one of the following methods.

13. EPA is authorized to enter into this Expedited Settlement Agreement (“Agreement”), and this proceeding for the assessment of a civil penalty is simultaneously commenced and concluded pursuant to Section 16 of TSCA and 40 C.F.R. § 22.13(b).

14. In signing this Agreement, Respondent: (a) admits that it is subject to TSCA and its implementing regulations; (b) admits that EPA has jurisdiction over Respondent and Respondent’s conduct as alleged herein; (c) neither admits nor denies the factual allegations contained herein; and (d) consents to the assessment of this penalty.

15. By signing this Agreement, Respondent waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including, but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the final order accompanying the Expedited Settlement Agreement.

16. By its signature below, Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent: (a) has corrected the alleged violations and is in compliance with Section 402 of TSCA, 15 U.S.C. § 2682, and its implementing regulations at 40 C.F.R. Part 745; (b) agrees to provide payment of the civil penalty set forth in Paragraph 11; (c) agrees to submit a true and accurate proof of payment of said civil penalty as set forth in Paragraph 12; and (d) agrees to release said payment to EPA upon entry of the Final Order attached hereto.

17. Upon the effective date of this Agreement and subsequent payment of the civil penalty as set forth in Paragraph 10, Respondent shall only be resolved of liability for federal civil penalties for the violations and facts alleged herein.

18. No portion of the civil penalty or interest paid by Respondent pursuant to the requirements of this Agreement shall be claimed by Respondent as a deduction for federal, state, or local income tax purposes.

19. This Agreement does not affect the rights of EPA or the United States to pursue appropriate injunctive relief or other equitable relief or criminal sanctions for any violations of law. EPA reserves its rights to take enforcement action for any other violations by Respondent of TSCA, any other federal statute or regulation, or this Agreement.

20. Failure to pay the assessed penalty may result in the referral of this matter to the United States Department of Justice for collection of the amount due plus stipulated penalties and interest at the statutory judgment rate provided in 28 U.S.C. § 1961.

21. Each party shall bear its own costs and fees, if any.

22. This Agreement, authorized by EPA's execution of the Final Order attached hereto, constitutes a final order under 40 C.F.R. Part 22.

23. This Agreement is binding on the parties signing below, and in accordance with 40 C.F.R. § 22.31(b), is effective upon filing.

24. Respondent consents to receiving the filed Agreement electronically at the following e-mail address: *assetdispositionllc@gmail.com*. Respondent understands that the Expedited Settlement Agreement and Final Order will become publicly available upon filing.
