Docket No. FIFRA-04-2007-3017

STATUS REPORT

Pursuant to the Alternative Dispute Resolution conference call held on November 5, 2007, EPA (Complainant) and Respondent reported to Judge Gunning that the parties had reached a settlement in principle. Subsequently on November 15, 2007, Complainant submitted a draft Consent Agreement and Final Order (CAFO) to the Respondent for review. Respondent reviewed the CAFO with requested changes and forwarded it to Complainant on November 20, 2007. After due consideration, Complainant made several changes to the CAFO. On November 21, 2007, Complainant sent a revised CAFO to the Respondent indicating that numerous concessions were made and also explained why certain changes could not be authorized. Complainant expects to have the CAFO by January 5, 2008.
