Docket No. RCRA-07-2010-0019

Respondent

ORDER ON COMPLAINANT'S REQUEST FOR EXTENSION OF TIME

On June 27, 2012, Complainant filed a "request" for extension of time to file an amended motion for default order in this proceeding. Complainant requested an extension until July 13, 2012, "to obtain clear and proper personal service" of its First Amended Complaint, which was filed on March 29, 2012. In its request, Complainant states that "the official record does not clearly reflect" service of the amended complaint on Respondent.

Complainant's request for extension relates to my June 8, 2012 order to Complainant to file a status report and my resulting June 18, 2012 order to Complainant to show cause. Neither order established a deadline for filing an amended motion for default order, but rather the June 8 order required Complainant to file a status report in this proceeding and related cases. Therefore, I will treat Complainant's request as a status report, and issue the order below accordingly.

Complainant shall, no later than July 13, 2012, file a status report updating its efforts to obtain or otherwise document service of the amended complaint filed in this proceeding. Complainant is reminded that, pursuant to Rule 22.14(c), a respondent has 20 days from the date of service of an amended complaint to file an answer.

SO ORDERED, this 2nd day of July, 2012.
