Docket No. SDWA-08-2012-0055
CONSENT AGREEMENT
FILED
REGION VIII
HEARING CLERK

Complainant, United States Environmental Protection Agency, Region 8 (EPA), and Respondent, Hitching Post, LLC (Respondent), by their undersigned representatives, hereby consent and agree as follows:

FACTUAL AND PROCEDURAL BACKGROUND

1. On September 25, 2012, Complainant issued a Second Complaint and Notice of Opportunity for Hearing (Second Complaint) alleging certain violations of an Administrative Order issued on July 2, 2007, the National Primary Drinking Water Regulations (NPDWRs) set forth at 40 C.F.R. Part 141, and Section 1414 of the Safe Drinking Water Act (Act), 42 U.S.C. § 300g et seq. Specifically, the Second Complaint cites the Respondent for failure to monitor for total coliform, failure to report noncompliance with the total coliform rule to EPA, and failure to provide public notice. The Second Complaint proposed a civil penalty for the violations alleged therein.

2. The EPA issued an initial complaint against the Respondent for similar violations in November 2008. Because the violations continued following successful resolution of the first complaint, the EPA sent the Respondent four additional administrative order violation letters between March 2010 and July 2012, notifying the Respondent of the recurring noncompliance

and ultimately issued the Second Complaint to ensure public health and environmental protection.

3. Respondent admits the jurisdictional allegations of the Second Complaint and neither admits nor denies the specific factual allegations of the Second Complaint.

4. Respondent waives its right to a hearing before any tribunal to contest any issue of law or fact set forth in the Second Complaint or the Consent Agreement.

5. This Consent Agreement contains all terms of the settlement agreed to by the Parties. Upon incorporation into a Final Order, this Consent Agreement applies to and is binding upon Respondent, its officers, directors, employees, agents and all persons acting under or for Respondent, until such time as the civil penalty required under paragraph no. 7 has been paid. This Consent Agreement upon incorporation into a Final Order shall constitute full civil settlement of the violations alleged in the Second Complaint.

6. Pursuant to section 1414(g)(3) of the Act, 42 U.S.C. § 300g-3(g)(3), taking into account the seriousness of the violation, the population at risk, the Respondent's degree of willfulness and/or negligence, history of noncompliance, if any, and ability to pay, EPA has determined that an appropriate civil penalty to settle this action is in the amount of **TWO THOUSAND NINE HUNDRED DOLLARS (\$2,900)**.

TERMS OF SETTLEMENT

7. Respondent consents to the issuance of the Consent Agreement and consents, for the purposes of settlement and without admitting any of the allegations in the Order not heretofore admitted, to the payment of the civil penalty cited in paragraph no. 6 above. Respondent shall pay the civil penalty cited in paragraph no. 6 above in two installment payments. Respondent shall make an initial installment payment in the amount of ONE

THOUSAND FOUR HUNDRED FIFTY DOLLARS (\$1,450.00) in the manner described

below:

- a. Payment is due within 30 calendar days from the date written on the Final Consent Order, issued by the Regional Judicial Officer, that adopts this Consent Agreement. If the due date falls on a weekend or legal federal holiday, then the due date becomes the next business day. The date the payment is made is considered to be the date processed by Mellon Bank described below. Payments received by 11:00 AM EST are processed on the same day, those received after 11:00 AM are processed on the next business day.
- b. The payment shall be made by remitting a cashier's or certified check, referencing the name and docket number of this case for this amount, payable to "**Environmental Protection Agency,**" to:

- c. In the event payment is not received by the specified due date, interest accrues from the date of the final order, not the payment due date, at a rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717, and will continue to accrue until the payment is received in full (i.e., on the 1st late day of the first payment, 30 days of interest accrues; interest will accrue back to the final order date to the date of receipt for any subsequent late installment payments).
- d. In addition to the accrual of interest specified in paragraph 6(c) of this Agreement, a handling charge of fifteen dollars (\$15.00) shall be assessed on the 31st day from the date of the final order, and each subsequent 30-day period that the penalty, or any portion thereof, remains unpaid. In addition, a six percent (6%) per annum penalty shall be assessed on any unpaid principal amount if any penalty payment is not received within 90 days of the due date. Payments are first applied to outstanding handling charges, 6% penalty interest, and late interest. The remainder is then applied to the outstanding principal amount.
- e. Respondent agrees that the penalty shall never be claimed as a Federal or other tax deduction or credit.

8. The Respondent shall make the second and final payment within six months of the first payment in the same manner as referenced in Paragraph 7 above.

9. The Respondent may pay the full penalty amount any time prior to the deadline for making the second and final installment payment without incurring a pre-payment penalty.

10. EPA reserves the right to call due the entire amount of \$2,900, or the outstanding balance thereof, within thirty days of receipt of notice in the event that any of the above payments are late or missed.

GENERAL PROVISIONS

11. This Consent Agreement shall not relieve Respondent of its obligation to comply with the Act and its implementing regulations.

12. Nothing in this Consent Agreement shall be construed as a waiver by the EPA of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of the Consent Agreement.

13. The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions for this Consent Agreement and to bind the Respondent to the terms and conditions of this Consent Agreement.

14. The parties agree to submit this Consent Agreement to the presiding officer with a request that it be incorporated into a Final Order.

15. Each party shall bear its own costs and attorney fees in connection with this matter.

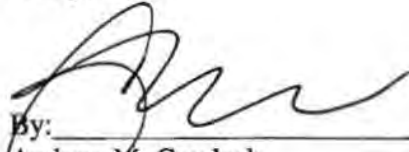

16. Failure by Respondent to comply with any of the terms of the Consent Agreement shall constitute a breach of the agreement and may result in referral of the matter to the U.S. Department of Justice for enforcement of the Consent Agreement and for such other relief as may be appropriate in federal district court.

17. The Consent Agreement, upon incorporation into a Final Order by the presiding officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations alleged in the Complaint.

18. This Consent Agreement shall become effective upon filing with the presiding officer.
