Re: Closure of Administrative Order for Compliance on Consent under Section 309 of the Clean Water Act Docket No. CWA-08-2016-0007

Dear Mr. Tanski:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA's) decision to close the Administrative Order for Compliance on Consent (Order), Docket No. CWA-08-2016-0007, issued to Brent's Biffies, Inc. d/b/a BBS, Inc. and Bakken's Best Sanitation (Brent's Biffies) on April 14, 2016. The EPA has determined that Brent's Biffies has no remaining obligations under the Order and, therefore, is closing the Order at this time.

Please be aware that Brent's Biffies is still required to comply with the Clean Water Act (Act) and its implementing regulations, including the disposal of sewage sludge requirements pursuant to section 405 of the Act, 33 U.S.C. § 1345, and 40 C.F.R. part 503. Violations of the Act or its implementing regulations may result in a court-imposed injunction and/or penalties of up to \$52,414 per day for each violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, you may contact Emilio Llamozas, Technical Enforcement, at (303) 312-6407. Any questions from counsel should be directed to Lauren Hammond, Enforcement Attorney, at (303) 312-7081.
