Law and Regulation

FIFRA section 12(a)(1)(A), 7 U.S.C. § 136j(a)(1)(A), states that it is unlawful for any person to distribute or sell any pesticide that is not registered under section 3 of FIFRA, 7 U.S.C. § 136a.

Under FIFRA section 2(u), 7 U.S.C. § 136(u), a pesticide is any substance (or mixture of substances) intended for a pesticidal purpose, i.e., use for the purpose of preventing, destroying, repelling, or mitigating any pest or use as a plant regulator, defoliant, or desiccant.

Under section 2(t) of FIFRA, 7 U.S.C. § 136(t), a pest is any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except those on or in living man or other living animals).

Section 2(p) of FIFRA, 7 U.S.C. § 136(p), defines “label” as “the written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or wrappers” and defines “labeling” in part, as “all labels and all other written, printed, or graphic matter – (A) accompanying the pesticide or device at any time; or (B) to which reference is made on the label or in literature accompanying the pesticide....”

Section 2(p) of FIFRA, 7 U.S.C. § 136(p), defines “label” as “the written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or wrappers” and defines “labeling” in part, as “all labels and all other written, printed, or graphic matter – (A) accompanying the pesticide or device at any time; or (B) to which reference is made on the label or in literature accompanying the pesticide....”

FIFRA section 12(a)(2)(N), 7 U.S.C. § 136j(a)(2)(N), provides that it is unlawful for a registrant, wholesaler, dealer, retailer, or other distributor to fail to file accurate reports required by the Act. As required by 19 C.F.R. § 12.112, a Notice of Arrival of Pesticides and Devices (NOA), EPA form 3540-1, and a copy of one product label must be submitted.

Facts and Violation

The label of the Car Pro Bug Out included the following language:

- “Intensive Insect Remover”

Car Pro Bug Out has a pesticidal intent and is therefore a pesticide. Car Pro Bug Out is not registered with the EPA. This Shipment is in violation of FIFRA section 12(a)(1)(A), 7 U.S.C. § 136j(a)(1)(A), which states that it is unlawful for any person to distribute or sell any pesticide that is not registered under section 3 of FIFRA, 7 U.S.C. § 136a.

The Shipment was also in violation of FIFRA section 12(a)(2)(N), 7 U.S.C. § 136j(a)(2)(N), because a registrant, wholesaler, dealer, retailer, or other distributor failed to file accurate reports required by the Act. As required by 19 C.F.R. § 12.112, a Notice of Arrival of Pesticides and Devices (NOA), EPA form 3540-1, and a copy of one product label must be submitted.
