Re: Closure of Administrative Order  
Docket No. SDWA-08-2008-0062  
Seeley Lake Missoula County Water District  
Public Water Supply  
PWS ID #MT0000327

Dear Mr. Hill and Mr. Chappell:

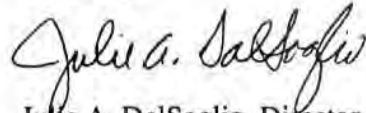

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued to the Seeley Lake Missoula County Water District public water system on July 8, 2008. The EPA has determined that the Seeley Lake Missoula County Water District public water supply system has complied with the terms of the Order and, therefore, we will close it at this time.

Please be aware that the Seeley Lake Missoula County Water District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Meredith at 406-457-5026. Thank you for resolving these issues.

Sincerely,
