Re: Closure of Order for Compliance: §§
308(a) and 309(a) of the Clean Water
Act Docket No. CWA-08-2011-0009

Dear Mr. and Mrs. Schall:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA) decision to close the Findings of Violation and Order for Compliance, Docket No. CWA-08-2011-0009, issued to you on March 28, 2011. The EPA has determined that you have complied with the requirements of the Order and therefore we will close it at this time.

Please be aware you are still required to comply with the Clean Water Act (Act) and its implementing regulations, specifically the National Pollutant Discharge Elimination System permit requirements authorized pursuant to section 402 of the Act, 33 U.S.C. § 1342, and found at 40 C.F.R. § 122 et seq. Violations of the Act may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, the most knowledgeable people on my staff regarding these matters are David Rise, at (406) 457-5012, and Marc Weiner, Enforcement Attorney, at (303) 312-6913. Thank you for your assistance in resolving this matter.

Sincerely,

Carson Coate, Media Supervisor
