**Re: Federal Facility Compliance Agreement
U.S. EPA Docket No. CWA-03-2024-0147FF
US Fish and Wildlife Service, Respondent**

Dear Mr. Chase:

On September 27, 2024, the United States Environmental Protection Agency Region 3 ("EPA") and the US Fish and Wildlife Service ("Respondent") entered into a Federal Facility Compliance Agreement, Docket No. CWA-03-2024-0147FF ("the FFCA"). In accordance with Sections VI and XV (Reporting and Sampling and Effective Date and Termination, respectively) of the FFCA, by email dated March 26, 2026, Respondent submitted a Notice of Completion for the EPA's review.

Based upon the EPA's review of information, including certifications, submitted in accordance with the Agreement, and additional correspondence as appropriate, the EPA believes that Respondent has adequately complied with all requirements of the FFCA and is granting Respondent's request for termination of the FFCA. In accordance with Section XV of the FFCA, this letter serves as written notification of termination of the FFCA.

Please note, however, that any future noncompliance with the Clean Water Act ("CWA"), including repeated noncompliance, could result in the initiation of further review and action pursuant to the federal enforcement provisions set forth in Section 309 of the CWA, 33 U.S.C. § 1319.

Thank you for your cooperation in this matter. If you have any questions, please contact Mark Zolandz of my staff at (215) 814-2319 or zolandz.mark@epa.gov.

Sincerely,

Andrea Bain
Acting Director
Enforcement and Compliance Assurance Division
