MOTION FOR EXTENSION OF TIME TO ANSWER COMPLAINT

Respondents, Charger, Inc. and All Family Craft, Inc. hereby move for an extension of time to answer the Complaint, for a period of 45 days. Respondents were served with the Complaint on or about August 18, 2009, and Respondent's answer date is September 17, 2009. Respondent states as the basis for this motion that it has agreed to meet with United States Environmental Protection Agency personnel to discuss settlement of the Complaint, and is currently working with EPA to schedule such a meeting to take place.

Counsel for U.S. EPA has indicated to undersigned counsel that EPA does not object to this request for extension of time.

Accordingly, Respondent requests that the answer date be extended to October 9, 2009.

Respectfully submitted,
