

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION 2

IN THE MATTER OF:

Mayagüez Medical Center -
Dr. Ramón Emeterio Betances, Inc.

RESPONDENT

Docket No. RCRA-02-2016-7106

Proceeding under Section 3008 of the
Solid Waste Disposal Act, as amended, 42
U.S.C. §6928

MOTION IN COMPLIANCE WITH COMPLAINT

To the Honorable Presiding Officer:

COMES NOW, Mayagüez Medical Center - Dr. Ramón Emeterio Betances, Inc. (the "Respondent"), through the undersigned attorneys, and respectfully alleges, states and prays as follows:

This motion is in compliance with the Complaint, Compliance Order, and Notice of Opportunity for Hearing issued by the United States Environmental Protection Agency ("EPA") in the referenced matter (the "Complaint").

Section III (Compliance Order) of the Complaint requires that Respondent submit a compliance certification within ninety (90) day calendar days of the effective date of the Compliance Order, along with any appropriate supporting documentation. In compliance with the Complaint, Respondent respectfully provides the required certification. See Attachment 1 hereto.

WHEREFORE, in view of the foregoing, Respondent respectfully requests that the Honorable Hearing Examiner take notice of the certification provided and rule that Respondent is in compliance with Section III (Compliance Order) of the Complaint.

**MMC's Certification of Compliance with Section III of EPA Complaint,
Compliance Order and Opportunity for Hearing
RCRA - 02-2016-7106
JANUARY 25, 2017**

Based on information and knowledge, the following is Mayagüez Medical Center - Dr. Ramón Emeterio Betances, Inc.'s ("MMC") certification in response to Section III of the Complaint, Compliance Order and Opportunity for Hearing, Docket No. RCRA-02-2016-7106 (the "Complaint").

1. Within ten (10) calendar days of the effective date of this Compliance Order, Respondent shall, to the extent it has not already done so, clean up and properly manage any spill of hazardous waste as that term is defined in Section 1004 (5) of the Act, 42 USC § 6903 (5) and 40 C.F.R. § 260.10, at the Facility.

Response:

The day following the Environmental Protection Agency's ("EPA") Inspection (as defined in the Complaint), MMC cleaned up and properly managed any spill of alleged hazardous waste.

2. Within ninety (90) calendar days of the effective date of this Compliance Order, if it has not already done so, Respondent shall make the hazardous waste determination of all the pharmaceutical waste.

Response:

It is MMC's position that at all times, including the time of the Inspection, the Safety Data Sheets ("SDSs") for all pharmaceutical products have been available. In addition, please see attached table describing the products, should they ever become a waste, herein included as EXHIBIT A.
