Docket Number: CWA-05-2026-0004, NPDES No. OH0002615

Penalty Amount: \$5,859.00, Inspection Date: July 01, 2025

PCS Nitrogen Ohio, L.P. (“Respondent”) is a “person,” within the meaning of Section 502(5) of the Clean Water Act (“Act”), 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

Attached is an “Expedited Settlement Offer Worksheet” (“Settlement Worksheet”), which is incorporated by reference. By its signature, Complainant (“EPA”) finds that Respondent is responsible for the alleged violations specified in the Settlement Worksheet.

Respondent failed to comply with the condition(s) or limitation(s) of a duly issued permit pursuant to Section 402 of the Act, 33 U.S.C. § 1342, and Section 301(a) of the Act, 33 U.S.C. § 1311(a).

EPA finds, and Respondent admits, that Respondent is subject to Section 301(a) of the Act, 33 U.S.C. § 1311, and that EPA has jurisdiction over any “person” who “discharges pollutants” from a “point source” to “waters of the United States.” Respondent neither admits nor denies the alleged violations specified in the Settlement Worksheet or this Consent Agreement and Final Order (“Agreement”).

EPA is authorized to enter into this Agreement under the authority vested in the Administrator of EPA by Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), and by 40 C.F.R. § 22.13(b). The parties enter into this Agreement to settle the civil violation(s) alleged in this Agreement for a penalty of \$5,859. Respondent consents to the assessment of this penalty and waives the right to: (1) contest the finding(s) specified in the Settlement Worksheet; (2) a hearing pursuant to Section 309(g)(2) of the Act, 33 U.S.C. § 1319(g)(2); and (3) appeal pursuant to Section 309(g)(8), 33 U.S.C. § 1319(g)(8). By signing this consent agreement, Respondent waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the final order accompanying the consent agreement.

Respondent shall pay the Assessed Penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>. However, for any payments made after September 30, 2025, and in accordance with the March 25, 2025 Executive Order on Modernizing Payments To and From America’s Bank Account, Respondent shall pay using one of the electronic payment methods listed on EPA’s How to Make a Payment website and will not pay with a paper check.

Respondent agrees that consistent with section 162(f)(1) of the Internal Revenue Code, 26 U.S.C. § 162(f)(1), it will not deduct the penalties paid under this Agreement for federal tax purposes.

Additionally, Respondent certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that the alleged violations identified in the Settlement Worksheet have been corrected. Respondent shall submit a written report and other documentation with this Agreement detailing the specific actions taken to correct the alleged violations cited herein. This documentation may include monitoring, inspection and maintenance reports, documentation of corrective actions, certification records, and other records required for compliance with permit documentation and recordkeeping conditions.

This Agreement settles EPA’s civil penalty claims against Respondent for the alleged Clean Water Act violation(s) specified in this Agreement. EPA does not waive its rights to take any enforcement action against Respondent for any other past, present, or future civil or criminal violation of the Act or of any other federal statute or regulation. EPA does not waive its right to issue a compliance order for any uncorrected alleged violation(s) described in the Settlement Worksheet. EPA has determined this Agreement to be appropriate.

Prior to requesting that an EPA Regional Judicial Officer issue the Final Order, EPA will provide a copy of the Agreement to the state of Ohio for the purposes of consultation with Ohio Environmental Protection Agency on the appropriateness of this Agreement.
