2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. §22.18 and consent to the entry of this CAFO without Respondent's admission of violation or adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).
5. Respondent is Compass Chemical International, LLC, a limited liability company doing business in the State of Georgia. This proceeding pertains to Respondent's facility located at 5544 Oakdale Road SE, Smyrna, Georgia 30082 (Facility).

III. GOVERNING LAW

6. Section 8(b) of TSCA, 15 U.S.C. § 2607(b), requires the EPA to compile, keep current, and publish a list of each chemical substance that is manufactured or processed, including imports, in the United States for uses under TSCA. The list is commonly known as the “TSCA Inventory” but is also referred to as the TSCA “Master Inventory File” as defined in 40 C.F.R. § 711.3.
7. Pursuant to Section 15 of TSCA, 15 U.S.C. § 2614, it is unlawful for any person to fail or refuse to comply with any rule or order promulgated pursuant to Sections 4 and 8 of TSCA, 15 U.S.C. §§ 2603 and 2607, or fail or refuse to establish or maintain records, submit reports, notices, or other information, or permit access to or copying of records, as required by TSCA or a rule thereunder.
8. Pursuant to Section 8(a) of TSCA, 15 U.S.C. § 2607(a), the EPA promulgated rules pertaining to Chemical Data Reporting (CDR) found at 40 C.F.R. Part 711. Pursuant to 40 C.F.R. § 711.3, the definitions specified in 40 C.F.R. § 711.3, and the definitions in Section 3 of TSCA, apply to 40 C.F.R. Part 711. In addition, the definitions in 40 C.F.R. § 704.3 also apply to 40 C.F.R. Part 711, except the definitions of “manufacture” and “manufacturer” found in 40 C.F.R. § 704.3.
9. The term “person” is defined in 40 C.F.R. § 704.3, to include any individual, firm, company, corporation, joint venture, partnership, sole proprietorship, association, or any other business entity; any State or political subdivision thereof; any municipality; any interstate body; and any department, agency, or instrumentality of the Federal Government.
10. The term “manufacture” is defined in 40 C.F.R. § 711.3, to mean to manufacture, produce, or import for commercial purposes.
11. The term “manufacture for commercial purposes” is defined in 40 C.F.R. § 704.3, to mean to import, produce, or manufacture with the purpose of obtaining an immediate or eventual commercial advantage for the manufacturer, and includes among other things, such “manufacture” of any amount of a chemical substance or mixture: (i) for commercial distribution, including for test marketing; or (ii) for use by the manufacturer, including use for product research and development, or as an intermediate.
12. Pursuant to 40 C.F.R. § 711.3, the term “submission period” is defined to mean the period in which the manufacturing, processing and use data are submitted to the EPA. Pursuant to 40 C.F.R. §§ 711.8(a) and 711.20, any person who manufactured (including imported) for commercial purposes 25,000 pounds or more of a chemical substance described in 40 C.F.R. § 711.5, at any single site owned or controlled by that person, in any of the calendar years 2020, 2021, 2022, or 2023, is subject to the CDR requirements for the 2024 submission period.
13. Pursuant to 40 C.F.R. § 711.5, any chemical substance that is in the TSCA Master Inventory File at the beginning of a submission period described in 40 C.F.R. § 711.20 must be reported pursuant to the CDR requirements under Section 8(a) of TSCA and 40 C.F.R. Part 711, unless the chemical substance is specifically excluded by 40 C.F.R. § 711.6.

14. Pursuant to 40 C.F.R. § 711.15, any person who is subject to 40 C.F.R. § 711.8 must submit the information described in 40 C.F.R. § 711.15(a) for each chemical substance described in 40 C.F.R. § 711.5 that the person manufactured (including imported) for commercial purposes in an amount of 25,000 pounds (11,340 kilograms (kgs)) or more, or in an amount of 2,500 pounds (1,134 kgs) or more for chemical substances subject to the rules, orders, or actions described in 40 C.F.R. § 711.8(b), at any one site during any calendar year since the last principal reporting year.
15. The term “principal reporting year” is defined in 40 C.F.R. § 711.3, to mean the latest complete calendar year preceding the submission period.
16. Pursuant to 40 C.F.R. § 711.20, the 2024 submission period ran from June 1, 2024, until November 22, 2024, and 2024 CDR Reports were required to have been submitted to the EPA during that time period.
17. Pursuant to Section 4 of TSCA, 15 U.S.C. § 2603, and 40 C.F.R. Part 799, certain chemical substance manufacturers, importers, or processors must either submit to the EPA a letter of intent to test or apply to and obtain from the EPA an exemption from testing. Pursuant to 40 C.F.R. § 799.1, manufacturers and/or processors of the chemicals identified in Subpart B of Part 799 (Specific Chemical Test Rules) must conduct tests and submit data in accordance with the test standards contained in Part 799 in order to develop data on the health and environmental effects and other characteristics of these chemicals.
18. Pursuant to 40 C.F.R. § 790.45(a) and 40 C.F.R. § 790.45(d)(1), within thirty (30) days of a test rule’s effective date, or by the date of the first manufacture or processing of a chemical subject to a test rule, each person subject to the rule must either submit a notice of intent to test or apply to the EPA for an exemption from testing.
19. Any information Respondent has claimed as Confidential Business Information which may support or form the basis for this CAFO has been intentionally redacted. To determine the identity of the chemical substances referenced in this CAFO or to identify any other information designated as CBI, Respondent and/or Complainant should refer to the Opportunity to Show Cause letter dated July 9, 2025, sent to Respondent identifying potential violations of TSCA and notifying Respondent of the opportunity to show cause why the EPA should not proceed with an enforcement action.

IV. FINDINGS OF FACTS

20. Respondent is a person as defined in 40 C.F.R. § 704.3. Respondent operates a chemical manufacturing business.
21. On February 13, 2024, the EPA issued a Notice of Inspection notifying Respondent that the EPA would be conducting an inspection at Respondent’s Facility pursuant to Section 11(a) of TSCA, 15 U.S.C. § 2610(a), to evaluate Respondent’s compliance with TSCA. In response to the Notice of Inspection, on March 4, 2024, Respondent submitted certain records to the EPA pertaining to its manufacture and domestic purchase of chemicals. On March 6, 2024, the EPA conducted the inspection at Respondent’s Facility.

22. On July 9, 2025, after reviewing the production records submitted by Respondent, the EPA issued Respondent an Opportunity to Show Cause letter alleging that Respondent had potentially violated Sections 4, 8, and 15 of TSCA, 15 U.S.C. §§ 2603, 2607, and 2614, by failing to comply with the CDR requirements found in 40 C.F.R. Part 711, and by failing to comply with the testing requirements found in 40 C.F.R. Part 799. On August 4, 2025, Respondent provided a response to the Show Cause letter.

Chemical Data Reporting for Chemicals D, F, and G [CBI redacted]

23. Records submitted by Respondent included production records from 2020-2023, indicating that Respondent manufactured a reportable quantity (greater than 25,000 pounds) of Chemicals D, F, and G for commercial purposes from 2020-2023.
24. Chemicals D, F, and G were in the TSCA Master Inventory File at the beginning of a submission period described in 40 C.F.R. § 711.20 and were not chemical substances specifically excluded from the CDR reporting requirements by 40 C.F.R. § 711.6.
25. Pursuant to 40 C.F.R. § 711.15, Respondent was required to submit a 2024 CDR Report to the EPA for reportable chemical substances that were manufactured (including imported) for commercial purposes in quantities greater than 25,000 pounds in calendar years 2020, 2021, 2022, and 2023 by no later than the end of the 2024 CDR submission period, which was November 22, 2024. Chemicals D, F, and G are reportable chemical substances manufactured by Respondent during the 2024 CDR submission period (2020-2023) and are therefore subject to the 2024 CDR reporting requirements.
26. Respondent did not submit a CDR Report for Chemicals D, F, and G by November 22, 2024, the last day of the 2024 CDR submission period.

Intent to Test or Exemption from Testing for Chemical H

27. Based on Respondent's 2020-2023 production records, Respondent manufactured five batches of Chemical H from 2021-2023.
28. On [CBI redacted], the EPA promulgated a final TSCA Section 4 Test Rule for Chemical H. The effective date of Chemical H's final test rule was [CBI redacted].
29. During the production period, Chemical H was subject to a test rule promulgated pursuant to Section 4 of TSCA and 40 C.F.R. § 799.5089.
30. Based on the production dates, Respondent was required to submit a letter of intent to test or an exemption from testing application to the EPA for Chemical H no later than May 5, 2021, which was the date of Respondent's first manufacture of Chemical H. Respondent failed to submit a letter of intent to test or an exemption from testing for Chemical H on or before May 5, 2021.

V. ALLEGED VIOLATIONS

31. Based on the EPA's investigation, including a review of Respondent's records as set forth above, the EPA alleges that Respondent failed to:
- a. Submit a 2024 CDR Report for Chemicals D, F, and G during the 2024 CDR submission period which ended on November 22, 2024, in violation of 40 C.F.R. §711.15, and Sections 8 and 15 of TSCA, 15 U.S.C. §§ 2607 and 2614; and
 - b. Submit a letter of intent to test or an application for an exemption from testing for Chemical H in violation of 40 C.F.R. Part 799, and Sections 4 and 15 of TSCA, 15 U.S.C. §§ 2603 and 2614.

- d. waives any right it may have pursuant to 40 C.F.R. § 22.8 to be present during any discussions with, or to be served with and reply to, any memorandum or communication addressed to EPA officials where the purpose of such discussion, memorandum, or communication is to persuade such official to accept and issue this CAFO;

35. In accordance with 40 C.F.R. § 22.5, the individuals named in the Certificate of Service are authorized to receive service related to this proceeding and the Parties agree to receive service by electronic means.

VII. TERMS OF PAYMENT

36. Respondent consents to the payment of a civil penalty, which was calculated in accordance with the Act, in the amount of **ONE HUNDRED TWELVE THOUSAND SEVEN HUNDRED DOLLARS (\$112,700.00)**, which is to be paid within thirty (30) days of the Effective Date of this CAFO.

37. Respondent shall pay the civil penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the following EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions, see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>. In addition, Respondent shall identify every payment with Respondent's name and the docket number of this CAFO, Docket No. TSCA-04-2026-6008(b).

38. Respondent shall send proof of payment electronically, within twenty-four (24) hours of payment of the civil penalty, to:

39. "Proof of payment" means, as applicable, confirmation of credit card or debit card payment, confirmation of wire or Automated Clearing House transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. TSCA-04-2026-6008(b).

40. Interest, Charges, and Penalties on Late Payments. Pursuant to 15 U.S.C. § 2615, 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11 and 13.12, if Respondent fails to timely pay the civil penalty per this CAFO, the EPA is authorized to recover, in addition to the unpaid civil penalty, the following amounts:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid in full within thirty (30) days, interest accrued is waived. However, if the civil penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the civil penalty, as well as any accrued interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the IRS large corporate underpayment rate, as any lower rate would fail to provide Respondent adequate incentive for timely payment.
- b. Handling Charges. Respondent will be assessed a monthly charge to cover the EPA's costs of processing and handling overdue debts. If Respondent fails to pay the civil penalty in accordance with this CAFO, the EPA will assess a charge to cover the costs of handling any unpaid amounts for the first thirty (30) day period after the Effective Date. Additional handling charges will be assessed every thirty (30) days, or any portion thereof, until the unpaid portion of the civil penalty, as well as any accrued interest, penalties, and other charges are paid in full.
- c. Late Payment Penalty. A late payment penalty of six percent (6%) per annum will be assessed monthly on all debts, including any unpaid portion of the civil penalty, interest, penalties and other charges, that remain delinquent more than ninety (90) days. Any such amounts will accrue from the date of delinquency.

41. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.

42. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions the EPA may take include, but are not limited to, the following:
- a. Refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
 - b. Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
 - c. Suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
 - d. Per 15 U.S.C. § 2615(a), the Attorney General will bring a civil action in the appropriate district court to recover the full remaining balance of the debt plus interest. In any such action, the validity, amount, and appropriateness of the civil penalty shall not be subject to review.
43. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.
44. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.
45. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, the EPA is required to send a completed Form 1098-F ("Fines, Penalties, and Other Amounts") to the Internal Revenue Services (IRS) annually with respect to any court order and settlement agreement (including administrative settlements), that requires a payor to pay an aggregate amount that the EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor's violation of any law or the investigation or inquiry into the payor's potential violation of any law, including amounts paid for "restitution or remediation of property" or to come "into compliance with a law." The EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (for example, a copy of IRS Form 1098-F). In order to provide the EPA with sufficient information to enable it to fulfill these obligations, the EPA herein requires, and Respondent herein agrees, that:
- a. Respondent shall complete an IRS Form W-9 ("Request for Taxpayer Identification Number and Certification"), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;

- b. Respondent shall therein certify that its completed IRS Form W-9 includes Respondent's correct TIN or that Respondent has applied and is waiting for issuance of a TIN;
- c. Respondent shall email its completed Form W-9 to EPA Region 4's Cincinnati Finance Center contact, Jessica Henderson (Henderson.Jessica@epa.gov), on or before the date that Respondent's initial penalty payment is due, pursuant to Paragraph 36 of this CAFO, and the EPA recommends encrypting Form W-9 email correspondence; and
- d. In the event that Respondent has certified in its completed IRS Form W-9 that it has applied for a Tax Identification Number (TIN) and that TIN has not been issued to Respondent by the date that its initial penalty payment is due then Respondent, using the same email address identified in the preceding sub-paragraph, shall further:
 - i. notify the EPA's Cincinnati Finance Center of this fact, via email, by the date that Respondent's initial penalty payment is due; and
 - ii. provide the EPA's Cincinnati Finance Center with Respondent's TIN, via email, within five (5) days of Respondent's issuance and receipt of the TIN.

46. Failure to comply with providing Form W-9 or TIN may subject Respondent to a penalty. *See* 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1.

VIII. EFFECT OF CAFO

- 47. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged in Sections IV and V above.
- 48. In accordance with 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment) shall satisfy the requirements of this CAFO but shall not, in any case, affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
- 49. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
- 50. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to an imminent hazard as authorized under Section 7 of the Act.

51. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
52. The provisions of this CAFO shall apply to and be binding upon Respondent and its successors and assigns. Respondent shall direct its officers, directors, employees, agents, trustees, and authorized representatives to comply with the provisions of this CAFO, as appropriate.
53. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
54. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential information under Section 14 of TSCA, 15 U.S.C. § 2613, and 40 C.F.R. Part 2 and the Freedom of Information Act (FOIA), or personally identifiable information.
55. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
56. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
57. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
58. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
59. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other party or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
60. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

61. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
