CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 CFR Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, United States Environmental Protection Agency (EPA) Region 4. Respondent is Chevron U.S.A. Inc.

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 CFR § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 CFR § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

4. Respondent is Chevron U.S.A. Inc., a corporation doing business in the State of Florida.

5. Respondent is a "person" as defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7)
6. Respondent owns and operates a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).
7. Respondent's facility is located at 5500 Commerce Street, Tampa, Florida.
8. Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 CFR §§ 372.22 and 372.30, require the owner or operator of a facility that (a) has 10 or more full-time employees; (b) is in a Standard Industrial Classification (SIC) major group or industry code listed in §372.23(a) (for which the corresponding North American Industry Classification System (NAICS) subsector and industry codes are listed in §§372.23(b) and 372.23(c)) by virtue of the fact that it meets one of the following criteria: (1) The facility is an establishment with primary SIC major group or industry code listed in §372.23(a), or a primary NAICS subsector or industry code listed in §372.23(b) or §372.23(c); (2) The facility is a multi-establishment complex where all establishments have primary SIC major group or industry codes listed in § 372.23(a), or primary NAICS subsector or industry codes in §372.23(b) or §372.23(c); (3) The facility is a multi-establishment complex as defined in §372.22(b)(3); (c) that manufactured, processed, or otherwise used a toxic chemical listed under Section 313(c) and in 40 CFR § 372.65, in excess of an applicable threshold quantity established under EPCRA Section 313(f) and set forth in 40 CFR § 372.25, during the calendar year, to complete and submit a toxic chemical release inventory reporting Form R (EPA Form 9350-1) to the Administrator of EPA and to the State in which the facility is located by July 1st for the preceding calendar year for each toxic chemical known by the owner or operator to be manufactured, processed, or otherwise used in quantities exceeding the established threshold quantity during the preceding calendar year.
9. As set forth in EPCRA Section 313(f) and 40 CFR § 372.25, the reporting threshold amount for a toxic chemical manufactured or processed at a facility is 25,000 pounds per calendar year. The reporting threshold for a toxic chemical otherwise used at a facility is 10,000 pounds per calendar year. The reporting thresholds for certain chemicals and chemical categories, classified as chemicals of special concern, and meeting criteria for persistence and bioaccumulation are 100 pounds and 10 pounds.
10. Respondent has 10 or more full-time employees, as defined at 40 CFR § 372.3 at its facility.
11. Respondent's facility is classified in a covered SIC code (5171) as described at 40 CFR § 372.22.
12. Respondent's facility processed naphthalene, a toxic chemical listed under EPCRA Section 313(c) and 40 CFR § 372.65, in excess of the 25,000 pound threshold quantity established under EPCRA Section 313(f) and 40 CFR § 372.25, during calendar years 2004, 2005, and 2006.

Respondent failed to submit a Form R for naphthalene to the Administrator of EPA and to the official designated by the Governor of the State of Florida by July 1st of reporting years 2005, 2006, and 2007. Respondent violated the reporting requirements of Section 313 of EPCRA, 42 U.S.C. § 11023, at its facility for calendar years 2004, 2005, and 2006, and is therefore subject to the assessment of penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

13. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 CFR Part 19, EPA may assess a penalty not to exceed \$32,500 for each violation of Section 313 that occurred on or after March 15, 2004. Each day a violation of Section 313 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by Administrative Order.

III. Consent Agreement

14. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

15. Respondent waives any right to contest the allegations and its right to appeal the proposed final order accompanying the Consent Agreement.

16. Respondent consents to the assessment of and shall pay the civil penalty as set forth in this CAFO.

17. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA at the facility.

18. Compliance with this CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States other than as expressed herein. Neither EPA nor Complainant waives any right to bring an enforcement action against Respondent for a violation of any federal or state statute, regulation or permit; to initiate an action for imminent and substantial endangerment; or to pursue criminal enforcement.

19. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public's interest and that this CAFO is consistent with the applicable requirements of EPCRA.

IV. Final Order

20. Respondent shall pay a civil penalty of SIXTY EIGHT THOUSAND TWO HUNDRED FIFTY DOLLARS (\$68,250), for the violations alleged in Section II. Payment is to be made within thirty (30) days of the effective date of this CAFO.

21. Respondent shall pay the penalty by forwarding a cashier's or certified check payable to "Treasurer, United States of America," to the following address:

23. For the purposes of state and federal income taxation, Respondent shall not be entitled, and agrees not to attempt, to claim a deduction for any civil penalty payment made pursuant to this CAFO. Any attempt by Respondent to deduct any such payments shall constitute a violation of this CAFO.

24. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim.
