Re: In the Matter of the City of Billings, Findings of Violation and Order for Compliance
Docket No. CWA-08-2009-0031

Dear Mr. Mumford:

On September 25, 2009, the U.S. Environmental Protection Agency issued a Findings of Violation and Order for Compliance (the Order) (Docket No. CWA-08-2009-0031) to the City of Billings (the City). The Order required the City to take numerous steps to improve the City's sanitary sewer and collection system, including reporting any sanitary sewer overflows (SSOs) that occurred to EPA. Upon receipt of this letter, the City may cease oral and written reporting of SSOs required under paragraph 5 on page 7 of the section labeled "ORDER." The Order is now terminated.

If you have any questions, please contact Laurel Dygowski at (303) 312-6144 or dygowski.laurel@epa.gov.
