Re: In the Matter of Puerto Rico Army National Guard, et al.
Docket No. RCRA-02—2008-7502

U.S. ENVIRONMENTAL
PROTECTION AGENCY-REG.II
2009 MAY 26 PM 3:26
REGIONAL HEARING
CLERK

The Puerto Rico Army National Guard (PRARNG), in accordance with Paragraph 2 of the Consent Agreement, hereby certifies the following:

1. That the PRARNG has installed an automatic tank gauging electronic release detection system (ATG) in substitution for vapor monitoring for POL UST Systems 1 and 2 and the MATES UST system at the Camp Santiago Facility
2. Any new information regarding this matter will be notified in a timely manner to the United States Environmental Protection Agency in accordance with the Consent Agreement.

I Certify that, to the best of my knowledge and belief, the information contained in this written certification and in any documents accompanying this certification is true, accurate, and complete. In making this statement, I have not made an independent review of all statements contained therein and have relied in good-faith on information, statements, and representations furnished to me by employees or contractors of PRARNG. Based on my inquiry of the person or persons (or the supervisors of such persons) directly responsible for gathering the information contained in this written certification and in any documents accompanying this certification, this document is, to the best of my knowledge and belief, true accurate and complete. I am aware that there are significant potential penalties for submitting materially false information, including the possibility of fines and imprisonment for knowing violations.
