Subject: Closure of Emergency Administrative Order - Valley View Elementary School -083090311
Date: Thursday, October 21, 2021 8:25:40 AM

The EPA has decided to close the Emergency Administrative Order (Order) regarding the public water system specified in the subject line. The EPA has determined that there are no remaining requirements of the Order. System improvements included replacing the existing cistern with a new one.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.
