8. EPCRA Section 313(a), 42 U.S.C. § 11023(a), requires subject owners or operators of any facility that, in any calendar year, manufactures, processes or otherwise uses a toxic chemical listed under EPCRA Section 313(c), 42 U.S.C. § 11023(c), in quantities exceeding a regulatory threshold established under EPCRA Section 313(f), 42 U.S.C. § 11023(f), to complete and submit a toxic chemical release inventory report (*i.e.*, "Form R" or "Form A") for each such listed toxic chemical. Pursuant to EPCRA Section 313(a), 42 U.S.C. § 11023(a), each required Form R or Form A must include the information required under Section 313(g) of EPCRA, 42 U.S.C. § 11023(g), and must be submitted to EPA and to the designated State agency by July 1 of the year following the year for which such toxic inventory report is required.
9. EPCRA Section 313(b), 42 U.S.C. § 11023(b), and 40 C.F.R. § 372.22 provide, in relevant and applicable part, that a facility which meets the following criteria for a calendar year is a "covered facility" for that calendar year and must report under 40 C.F.R. § 372.30: [a] the facility has 10 or more full-time employees; [b] the facility is in a Standard Industrial Classification ("SIC") (as in effect on January 1, 1987) major group or industrial code listed in 40 C.F.R. § 372.23(a), for which the corresponding North American Industrial Classification System ("NAICS") (as in effect on January 1, 2007, for reporting year 2008 and thereafter) subsector and industry codes are listed in 40 C.F.R. § 372.23(b) and (c) by virtue of the fact that the facility is an establishment with a primary SIC major group or industry code listed in 40 C.F.R. § 372.23(a), or a primary NAICS subsector or industry code listed in 40 C.F.R. § 372.23(b) or 40 C.F.R. § 372.23(c); and [c] the facility manufactured (including imported), processed, or otherwise used a toxic chemical in excess of an applicable threshold quantity of that chemical set forth in 40 C.F.R. § 372.25, 372.27, or 375.28.
10. 40 C.F.R. § 372.30(a) provides, in relevant part, that for each toxic chemical known

by the owner or operator to be manufactured (including imported), processed, or otherwise used in excess of an applicable threshold quantity in 40 C.F.R. § 372.25, § 372.27, or § 372.28 at its covered facility for a calendar year, the owner or operator must submit to EPA and to the State in which the facility is located a completed EPA Form R (EPA Form 9350-1) or Form A (EPA Form 9350-2) in accordance with the instructions referred to in 40 C.F.R. Part 372, Subpart E.

58. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment as specified herein shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.

59. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date

that a true and correct copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).

60. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period a debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
61. A late payment penalty of six percent per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
62. Respondent agrees not to deduct for federal tax purposes the civil monetary penalty assessed in this CAFO.

Certification

63. The individual who signs this Consent Agreement on behalf of Respondent certifies that the Facility referred to in this Consent Agreement is currently in compliance with all applicable requirements of EPCRA Section 313, 42 U.S.C. § 11023.

Other Applicable Laws

64. Nothing in this CAFO shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations.

Reservation of Rights

65. This Consent Agreement and the accompanying Final Order resolve only EPA's claims for civil penalties for the specific violations of EPCRA Section 313, 42 U.S.C. § 11023, alleged herein. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice. Further, EPA reserves any rights and remedies available to it under EPCRA, the regulations promulgated thereunder, and any other federal laws or regulations for which EPA has

jurisdiction, to enforce the provisions of this CAFO, following its filing with the Regional Hearing Clerk.

Scope of Settlement

66. The settlement set forth in this CAFO shall constitute full and final satisfaction of Complainant's civil claims for penalties for the specific violations alleged herein. Compliance with the CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.

Parties Bound

67. This Consent Agreement and the accompanying Final Order shall apply to and be binding upon the EPA, the Respondent and the officers, directors, employees, contractors, successors, agents, and assigns of Respondent. By his or her signature below, the person who signs this Consent Agreement on behalf of Respondent is acknowledging that he or she is fully authorized by the party represented to execute this Consent Agreement and to legally bind Respondent to the terms and conditions of this Consent Agreement and the accompanying Final Order.
