Re: Closure of Administrative Order
LDS Church Ennis
Public Water System
Docket No. SDWA-08-2009-0014
PWS ID # MT0003929

Dear Sirs:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2009-0014, issued to the LDS Church Ennis on March 26, 2009. The EPA has determined that the LDS Church Ennis has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the LDS Church Ennis is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Paquin at 406-457-5026. Thank you for resolving these issues.
