**MOTION FOR EXTENSION OF TIME**

NOW COMES Respondent, SOUTH HOLLAND METAL FINISHING CO., INC.

(hereinafter "South Holland"), by and through its attorneys, HODGE DWYER ZEMAN, and hereby requests an extension of time for thirty (30) days, or until Monday, December 17, 2007, in which to file its Answer or otherwise respond to the First Amended Complaint and Compliance Order (hereinafter "Amended Complaint") filed by the United States Environmental Protection Agency, Region 5 (hereinafter "U.S. EPA") in this matter. In support of this Motion, South Holland states as follows:

1. On April 7, 2004, a representative of U.S. EPA performed a Compliance Evaluation Inspection at the South Holland facility in Monee, Illinois (hereinafter "Facility").
2. On July 12, 2004, U.S. EPA sent an Information Request to South Holland requesting South Holland to submit certain information relating to hazardous waste management issues at the Facility.
3. On August 3, 2004, South Holland responded in writing to U.S. EPA's Information Request.

4. On September 20, 2004, U.S. EPA sent a Notice of Violation (hereinafter "NOV") to South Holland based on the findings of the Compliance Evaluation Inspection conducted on April 7, 2004.

5. On October 18, 2004, South Holland responded in writing to U.S. EPA's NOV.

6. On October 29, 2004, U.S. EPA informed South Holland in writing that, upon review of South Holland's response to U.S. EPA's NOV, U.S. EPA had determined that no further enforcement action would be taken at that time.

7. On May 26, 2005, a representative of U.S. EPA performed a second Compliance Evaluation Inspection at the Facility.

8. On September 30, 2005, U.S. EPA sent a second NOV to South Holland based on the findings of the Compliance Evaluation Inspection conducted on May 26, 2005.

9. On October 28, 2005, South Holland responded in writing to U.S. EPA's September 30, 2005 NOV.

10. On August 23, 2006, U.S. EPA sent a pre-filing notice letter to South Holland informing it that U.S. EPA was prepared to file an administrative complaint for civil penalties against South Holland based on U.S. EPA's April 7, 2004 inspection, South Holland's response to U.S. EPA's July 12, 2004 Request for Information, South Holland's response to U.S. EPA's September 20, 2004 NOV and U.S. EPA's May 26, 2005 inspection. U.S. EPA also notified South Holland that it would be given the opportunity to confer with U.S. EPA about the filing of an administrative complaint and the proposed penalty that would be sought by such an action.

11. On October 20, 2006, U.S. EPA, South Holland and their respective counsel convened for the pre-filing meeting.

12. Over the course of the next year, the parties engaged in discussion regarding South Holland's ability to pay the civil penalty proposed by U.S. EPA, and the possibility of settlement of the matter.

13. On September 24, 2007, U.S. EPA filed an Administrative Complaint and Compliance Order (hereinafter "Complaint") in this matter.

14. On September 27, 2007, South Holland was served with U.S. EPA's Complaint through its registered agent.

15. On October 24, 2007, U.S. EPA filed its Amended Complaint in this matter.

16. On October 26, 2007, South Holland was served with U.S. EPA's Amended Complaint through its registered agent.

17. Pursuant to 40 C.F.R. § 22.14(c), South Holland is required to answer or otherwise respond to the Amended Complaint by November 15, 2007.

18. U.S. EPA and South Holland remain actively engaged in negotiations to resolve this matter.

19. On November 7, 2007, counsel for South Holland spoke with counsel for U.S. EPA, who is still reviewing prior submittals regarding settlement and therefore, has no objection to this request for an extension of time being granted.

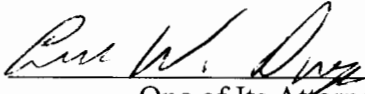

20. Therefore, in order to avoid unnecessary legal costs associated with preparing a responsive pleading if settlement negotiations prove fruitful in the near term, Respondent is seeking an extension of the due date.

21. Respondent does not file this Motion for purposes of delay or for any other improper purpose, but rather for the reasons set forth above.

WHEREFORE, for the above and foregoing reasons, Respondent, SOUTH HOLLAND METAL FINISHING CO., INC., hereby moves the Regional Hearing Clerk to grant it an extension of time for thirty (30) days, or until December 17, 2007, in which to file its response to the First Amended Complaint and Compliance Order filed by U.S. EPA.

Respectfully submitted,

SOUTH HOLLAND METAL  
FINISHING CO., INC.,  
Respondent,
