First Status Report

Complainant's counsel files this status report pursuant to the April 15, 2011, Prehearing Order. Consistent with that Order the Parties have held good faith settlement discussions and have arrived at a settlement in principle. This settlement is subject to negotiation of a Consent Agreement and Final Order. I anticipate that it will take approximately sixty days to negotiate and finalize such Order. On behalf of the Complainant, therefore I request that deadlines in this proceedings be stayed for 60 days. I have discussed this status report and request with Scott Hubbard, counsel for Respondent. He concurs.
