CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region VII and U.S. Ag Center Inc. (Respondent) have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b), 22.18(b)(2) and 22.18(b)(3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2) and 22.18(b)(3).

ALLEGATIONS

Jurisdiction

1. This is an administrative action for the assessment of civil penalties instituted pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136l.
2. This Consent Agreement and Final Order (CAFO) serves as notice that EPA has reason to believe that Respondent has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region VII, is the Director of the Water, Wetlands and Pesticides Division (WWPD), EPA, Region VII.

4. The Respondent is U.S. Ag Center, Inc., a wholesale distributor of agricultural chemicals including pesticides, insecticides, fertilizer and fertilizer materials located at 250 North Main, Allison, Iowa. The Respondent is and was at all times referred to in this CAFO, a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and a corporation qualified to do business in the state of Iowa.

Statutory and Regulatory Background

5. Section 12(a)(2)(F) of FIFRA states that it shall be unlawful for any person to distribute or sell, or to make available for use, or to use, any registered pesticide classified for restricted use for some or all purposes other than in accordance with section 136a(d) of this title and any regulations thereunder, except that it shall not be unlawful to sell, under regulations issued by the Administrator, a restricted use pesticide to a person who is not a certified applicator for application by a certified applicator. 7 U.S.C. § 136j(a)(2)(F).

6. The term “to distribute or sell” means to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver. 7 U.S.C. § 136(gg).

Factual Allegations

7. Respondent, at all times relevant, operated as a wholesale distributor of agricultural chemical, pesticide, insecticide, and fertilizer in Allison, Iowa.

8. On February 14, 2007, a representative of the Iowa Department of Agriculture and Land Stewardship (IDALS) conducted an inspection of the Respondent’s Allison, Iowa facility.

9. During the inspection, the IDALS representative observed that Respondent offered for sale or distribution Atrazine 90 DF, bearing EPA Registration Number 66222-37. The Atrazine 90 DF label bears the statement that the product is a Restricted Use Pesticide (RUP).

10. The IDALS representative reviewed the sales receipts of individuals who purchased RUPs from Respondent. The documentation revealed that an individual whose certification expired in 2005, purchased 50 pounds of Atrazine 90 DF on June 2, 2006.

11. On March 23, 2007, the IDALS representative obtained a statement from the individual who purchased the Atrazine 90 DF. The individual stated that he was unaware that his certification had expired when he bought and applied the Atrazine 90 DF. Additionally, the individual stated that he was not asked by the Respondent for his certification number.

VIOLATIONS

12. The Complainant hereby states and alleges that Respondent has violated FIFRA and federal regulations promulgated thereunder, as follows:

Count 1

13. Complainant hereby incorporates the allegations contained in Paragraphs 1 through 12 above, as if fully set forth herein.

14. Documentation collected during the February 14, 2007, inspection reveals that the RUP, Atrazine 90 DF, was sold to an uncertified applicator. The individual who purchased the Atrazine 90 DF applied the product without proper certification and did not purchase the product for use by a certified applicator.

15. Respondent violated Section 12(a)(2)(F) of FIFRA by distributing or selling a registered pesticide classified for restricted use for some or all purposes other than in accordance with section 136a(d) of this title and any regulations thereunder. 7 U.S.C. § 136j(a)(2)(F).

CONSENT AGREEMENT

It is hereby agreed and accepted by Respondent that:

16. Respondent and EPA agree to the terms of this CAFO, and Respondent agrees to comply with the terms of the Final Order portion of this CAFO.

17. Respondent admits the jurisdictional allegations of this CAFO and agrees not to contest EPA's jurisdiction in this proceeding or any subsequent proceeding to enforce the terms of the Final Order set forth below.

18. Respondent neither admits nor denies the factual allegations and legal conclusions set forth in this CAFO.

19. Respondent waives its right to a judicial or administrative hearing on any issue of fact or law set forth above and its right to appeal the Final Order accompanying this Consent Agreement.

20. Respondent and Complainant agree to conciliate the matters set forth in this CAFO without the necessity of a formal hearing and to bear their respective costs and attorney's fees.

21. This CAFO addresses all civil administrative claims for the FIFRA violations identified above. Complainant reserves the right to take any enforcement action with respect to any other violations of FIFRA or any other applicable law.

22. Nothing contained in the Final Order portion of this CAFO shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state, and local environmental statutes and regulations and applicable permits.

23. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this CAFO and to execute and legally bind Respondent to it.

24. Respondent certifies by signing this CAFO that, to its knowledge, it is presently in compliance with FIFRA, 7 U.S.C. § 136 *et. seq.* and all regulations promulgated thereunder.

25. The effect of settlement described in Paragraph 21 above is conditioned upon the accuracy of the Respondent's representations to EPA, as memorialized in Paragraph 24 above.

Respondent agrees that, in settlement of the claims alleged in this CAFO, Respondent shall pay a penalty of One Thousand Three Hundred Sixty Dollars (\$ 1,360.00) as set forth in Paragraph 1 of the Final Order. Respondent additionally agrees to complete the following Supplemental Environmental Project (SEP).

27. In response to the violations of FIFRA alleged in this CAFO and in settlement of this matter, although not required by FIFRA or any other federal, state or local law, Respondent shall complete the Supplemental Environmental Project (SEP) described in Paragraph 28 of the Consent Agreement portion of this Consent Agreement and Final Order, which the parties agree is intended to secure significant environmental or public health protection and improvement.

28. Within sixty (60) calendar days of the effective date of this CAFO, Respondent shall provide between two hundred eighty (280) pounds and four hundred (400) pounds of Iowa Mix CP 25 grass mix to the North Butler Pheasants Forever chapter to assist that organization in its efforts to restore native Iowa grassland in the North Butler Wilderness Area located in Butler County, Iowa. The value of the grass seed provided shall not be less than Three Thousand Eight Hundred Forty Dollars (\$ 3,840.00) based upon the wholesale cost of the grass seed.

29. Within sixty-one (61) calendar days of the effective date of this CAFO Respondent shall submit an Interim SEP Report to EPA. The Interim SEP Report shall confirm distribution of the grass mix pursuant to Paragraph 28 above. The Interim SEP Report shall identify the name, complete address, and telephone number of the recipient of the grass seed, and the wholesale value of the grass seed.

30. Respondent shall ensure and oversee the use of all of such grass seed described in Paragraph 28 above within nine (9) months of the effective date of this CAFO.

The affidavit shall be signed by the director or an officer of North Butler Pheasants Forever;
- d) A description of the specific environmental and/or public health benefits resulting from implementation of the SEP; and
- e) Certification that the SEP has been fully implemented pursuant to the provisions of the CAFO.

32. In itemizing its costs in the Interim SEP Report and the SEP Completion Report, Respondent shall clearly identify and provide acceptable documentation for all eligible SEP costs. Where the report includes costs not eligible for SEP credit, those costs must be clearly identified as such. For purposes of this Paragraph, "acceptable documentation" includes invoices, purchase orders, or other documentation that specifically identifies and itemizes the individual costs of the goods and /or services for which payment is being made. Canceled drafts do not constitute acceptable documentation unless such drafts specifically identify and itemize the individual costs of the goods and/or services for which payment is being made.

33. The Interim SEP Report and the SEP Completion Report shall include the statement of Respondent, through an officer, signed and certifying under penalty of law the following:

I certify under penalty of law that I have examined and am familiar with the information submitted in this document and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete. Respondent further certifies that it has not received, and is not presently negotiating to receive credit in any other enforcement action for the SEP.

37. Respondent agrees not to claim any funds expended in the performance of the SEP as a deductible business expense for the purpose of federal, state, or local taxes.

38. Respondent agrees to the payment of stipulated penalties as follows:

a) In the event Respondent fails to comply with any of the terms or provisions of this Consent Agreement relating to the performance of the SEP as set forth in Paragraph 28 above and/or to the extent that the actual expenditures for the SEP does not equal or exceed the cost of the SEP described in Paragraph 28 above, Respondent shall be liable for stipulated penalties according to the provisions set forth below:

Interest will therefore begin to accrue on a civil or stipulated penalty if it is not paid by the date required. Interest will be assessed at a rate of the United States Treasury tax and loan rate in accordance with 31C.F.R. § 901.9(b). 41. Failure to pay the assessed penalty may result in the referral of this matter to the United States Department of Justice for collection. If payment is not received on or before the due date, interest will be assessed at the annual rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717. The interest will be assessed on the overdue amount from the due date through the date of payment.
