The Report shall be sent to the EPCRA Enforcement Section, to the attention of Vinson Poole at the address provided above. The Report shall include the following:

- (a) an affidavit from an authorized company official, attesting that the SEP has been completed or explaining in detail any failure to complete it; and

Upon request, Respondent shall send EPA any additional documentation requested by EPA.

35. For Federal Income Tax purposes, Respondent agrees that it will neither capitalize into inventory or basis nor deduct any costs or expenditures incurred in performing the SEP.

36. Respondent certifies that, as of the date this CAFO is signed, it is not required to perform any part of the SEP by any federal, state or local law, regulation, permit or order, or by any agreement or grant. Respondent further certifies that, as of this date, it has not received and is not negotiating to receive, credit for any part of the SEP in any other enforcement action of any kind.

37. Any public statement, oral or written, by Respondent making any reference to the SEP shall include the following language:

“This project was undertaken in connection with the settlement of an enforcement action taken by the U.S. Environmental protection Agency for violation of Section 313 of the Emergency Planning and Community Right-to-Know Act.”

38. If Respondent fails to timely and fully complete any part of the SEP, including failure to spend the minimum amount of THIRTY EIGHT THOUSAND FIVE HUNDRED FIFTEEN DOLLARS (\$38,515), Respondent shall pay to the United States a stipulated penalty of the difference between \$38,515 (SEP dollar amount) and the actual SEP expenditure.

42. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO if the penalty is not paid by the date required. Interest will be assessed at the rate established by the Secretary of Treasury pursuant to 31 U.S.C. § 3717. A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney fees.
