Re: Administrative Order Closure, YMCA of the Big Horns
PWS ID #5600641, Docket No. **SDWA-08-2013-0005**

Dear Mr. McGinnis:

This letter is to inform you of the EPA's decision to close the Administrative Order (Order) issued to Sheridan County YMCA (Respondent) on December 12, 2012, regarding the YMCA of the Big Horns Public Water System. The EPA has determined the Respondent has complied with the requirements of the Order and therefore we will close it at this time. As a reminder, the Respondent is required to report analytical results to the EPA within 10 days following the month in which Respondent receives sample results.

Please be aware the Respondent is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$53,907 per day of violation.

Thank you for resolving these issues. If the Respondent has any questions regarding this matter, please contact Metea Wright at (303) 312-6023.

Sincerely,

Arturo Palomares, Director
Water Technical Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
