The United States Environmental Protection Agency, Region 7 (EPA) and Parsons Water Treatment Plant, 1630 North Lincoln, Parsons, Kansas 67357 (Respondent), have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(B)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2).

The Complainant, by delegation of the Administrator of EPA, is the Director of the Air, and Waste Management Division. The Respondent is Parsons Water Treatment Plant, 1630 North Lincoln, Parsons, Kansas 67357.

This is an administrative action for the assessment of civil penalties instituted pursuant to Section 113(d) of the Clean Air Act. Pursuant to Section 113(d) of the Clean Air Act, 42 U.S.C. § 7413(d), the Administrator and the Attorney General jointly determined that this matter, where the total penalty exceeds \$270,000 or where the first alleged date of violation occurred more than 12 months prior to the initiation of the administrative action, was appropriate for administrative penalty action.

ALLEGED VIOLATIONS

On May 11, 2006, an authorized representative of the EPA conducted a compliance inspection of the Respondent's facility located at 1630 North Lincoln, Parsons, Kansas 67357, to determine compliance with the Risk Management Plan (RMP) regulations promulgated at 40 C.F.R. The EPA found that the Respondent had violated regulations implementing Section 112(r) of the Clean Air Act by failing to comply with the regulations as noted on the enclosed Risk Management Program Inspection Findings, Alleged Violations and Proposed Penalty Sheet (RMP Findings), which is hereby incorporated by reference.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the

entire record, the parties enter into the ESA in order to settle the violations, described in the enclosed RMP Findings, for the total penalty amount of \$4,480.

This settlement is subject to the following terms and conditions:

The Respondent by signing below waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained in herein and in the RMP Findings, and consents to the assessment of the penalty as stated above. Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the Clean Air Act, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that the Respondent has corrected the violations listed in the enclosed RMP Findings and has sent a cashier's check or certified check (payable to the "United States Treasury") in the amount of \$4,480 in payment of the full penalty amount to the following address:
