**RESPONDENT'S REQUEST FOR AN EXTENTIONS  
OF TIME TO FILE PROPOSED FINDINGS OF FACT  
AND CONCLUSIONS OF LAW**

---

Respondent, Maralex Disposal, LLC ("Marlaex"), by and through its undersigned counsel, respectfully requests a four-day extension of time, until December 18, 2012, for the parties to file their Proposed Findings of Fact and Conclusions of Law and Proposed Order. In support whereof, the following is shown:

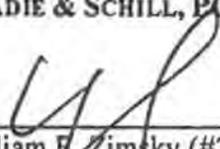

Undersigned counsel has been involved in preparing several title opinions for a client involved in an acquisition of oil and gas leasehold interests in New Mexico that were required to be completed pursuant to the purchase agreement between the buyer and seller of said properties. As a result of having to dedicate a substantial amount of time in preparing the title opinions, counsel has been unable to finalize the Proposed Findings of Fact and Conclusions of Law for filing today. Thus, counsel is requesting a short, four-day, two business day, extension in which to file the Proposed Findings.

Earlier today undersigned counsel realized that it would be difficult to complete the Proposed Findings by the close of business today,. Undersigned counsel discussed this motion with Ann Swanson, opposing counsel, to determine whether she would impose an objection to this request. Ms. Swanson stated that she is not taking a position on this request.

Premises submitted, undersigned counsel requests a four-day extension, until December 18, for the parties to file their Proposed Findings of Fact and Conclusions of Law.

Dated this 14<sup>th</sup> day of December, 2012.
