Dear Mr. Jewel:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2009-0015 issued to US Bureau of Reclamation for the violations at Beaverhead Campground South on December 30, 2008. The EPA has determined that the Beaverhead Campground South has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the US Bureau of Reclamation is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Paquin at 406-457-5026. Thank you for resolving these issues.
