DOCKET NO. UIC-09-2022-0058

Clarification to EPA's sleight-of-hand interpretation of my answer

On September 25, 2024 I did not answer EPA's motion to withdraw I filed my opposition to their opposition to my motion to dismiss, as scheduled by this court.

The EPA attorneys wrongfully filed a second opposition to my motion to dismiss. This court has not acknowledged their motion to withdraw the complaint, nor has it order a schedule for opposition.

### **I. Conclusion**

None of this bickering matters!
