Docket No. FIFRA-08-2015-0007

WHEREAS, on September 30, 2015, Complainant, United States Environmental Protection Agency, Region 8, filed a Complaint against Respondent alleging violations of the Federal Insecticide, Fungicide and Rodenticide Act. To date, Respondent has not filed its Answer. On December 9, 2015, Respondent filed an Unopposed Motion for Extension of Time to Answer ("Motion"), where it provided that the parties were actively negotiating and intended to settle the matter without the need for a hearing. On December 9, 2015, I granted the Motion until March 9, 2016.

On March 16, 2016, Complainant filed a Status Report (which I shall refer to herein as the Second Motion, as the filed document is a combination case update and request for a second extension), wherein Complainant explained that the parties are "exchanging documents, some of which are medical and financial records, that will most certainly impact the negotiations and the resolution of this matter." Respondent will apparently provide these documents in early April 2016, and therefore desires additional time to file its Answer (specifically, April 18, 2016).

It is therefore ORDERED that the Second Motion be, and hereby is, GRANTED until April 18, 2016.

Dated this 22nd day of March, 2016.
