ORDER POSTPONING STATUS TELECONFERENCE

By order dated December 18, 2012, the Undersigned summarized the status teleconference held on December 18th, and scheduled a follow up teleconference in this matter for March 19, 2013. However, based on information from the Complainant, the Consent Agreement and Final Order (CA/FO) is circulating for signature, and there does not appear to be the need for a teleconference at this time. The Undersigned has decided that it is in the best interest of the parties to postpone the status teleconference in order to afford the parties an opportunity to fully execute and file the CA/FO.

IT IS ORDERED:

The status teleconference is hereby rescheduled for Tuesday, May 14, 2013 at 9:30AM. If the parties should execute the CA/FO and file it with the Regional Hearing Clerk before that date, the rescheduled conference will be cancelled and this matter will be terminated.
