Re: In the Matter of the Bureau of Land Management Federal Compliance Agreement
Docket No. CWA-08-2013-0020

Dear Ms. Connell:

On March 26, 2013, the U.S. Environmental Protection Agency and the Bureau of Land Management (BLM), State of Colorado Front Range District, entered into a Federal Compliance Agreement (Agreement). The Agreement pertained to the BLM's Park Center well located in Fremont County, Colorado. Per paragraph 8 in the "GENERAL PROVISIONS" section of the Agreement, the parties agreed to terminate the Agreement after the BLM obtained a National Pollutant Discharge Elimination System (NPDES) permit. The EPA issued the BLM an NPDES permit for the Park Center well's discharge on November 19, 2018 (Permit CO-0035017). Accordingly, the Agreement is now terminated.
