Re: Closure - Administrative Order for Compliance, EPA Docket No. CWA-08-2010-0047

Dear Dr. Kregel:

The U.S. Environmental Protection Agency has reviewed the compliance status of your stream restoration project near Stevensville, Montana. Based on this review and a site inspection conducted on July 26, 2016, the EPA has determined that you have satisfactorily completed all of the requirements of the Findings of Violation and Administrative Order for Compliance (Order) issued to you on September 30, 2010. Accordingly, this Order is now considered closed. Please be advised that closure of this Order does not relieve or change your obligation to comply with the Clean Water Act, and all other applicable federal, state, and local laws.

If you have any technical questions regarding this matter, the most knowledgeable person on my staff is Kenneth Champagne, Section 404 Enforcement Officer, who can be reached at 303-312-6608. For any legal questions, please contact Amy Swanson, Senior Enforcement Attorney, at 303-312-6906. Thank you for your cooperation and timely completion of the requirements of the Order

Sincerely,

Suzanne J. Bohan
