I. NATURE OF THE ACTION

1. This is an administrative penalty assessment proceeding brought under Section 16(a) of the Toxic Substances Control Act (TSCA or the Act), 15 U.S.C. § 2615(a), and Sections 22.13(b) and 22.18 of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits*, as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).
5. Respondent is Quentavis D. Belcher, an individual doing business in the State of Georgia. This

proceeding pertains to Respondent's management of target housing located in the State of Georgia.

III. GOVERNING LAW

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of "target housing." Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term "target housing" is defined at 40 C.F.R. § 745.103 to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
9. The term "residential dwelling" is defined at 40 C.F.R. § 745.103 to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term "lessor" is defined at 40 C.F.R. § 745.103 to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. The term "lessee" is defined at 40 C.F.R. § 745.103 to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term "owner" is defined at 40 C.F.R. § 745.103 to mean any entity that has legal title to target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations, except where a mortgagee holds legal title to property serving as collateral for a mortgage loan, in which case the owner would be the mortgagor.
13. Pursuant to 40 C.F.R. § 745.113(b), each contract to lease target housing shall include, as an attachment or within the contract, the elements contained in 40 C.F.R. § 745.113(b)(1) – (6), in the language of the contract.

14. Pursuant to 40 C.F.R. § 745.113(c)(1), before the lessee is obligated under any contract to lease target housing, the lessor, and any agent, shall retain a copy of the completed attachment or lease contract containing the information required under paragraph (b) of 40 C.F.R. § 745.113 for no less than three (3) years from the commencement of the leasing period.

IV. FINDINGS OF FACT

15. Respondent is, and was at all times relevant to this CAFO, an “owner” and “lessor” that offered contracts to lease “residential dwellings” that are “target housing” as those terms are defined at 40 C.F.R. § 745.103.
16. On July 9, 2025, the EPA received information about Respondent’s property located at 49 Hazel Street, Unit A, Porterdale, Georgia 30014. The EPA requested additional information from Respondent in order to evaluate Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subpart F with respect to the property.
17. On July 24, 2025, Respondent submitted records to the EPA via email for review.
18. Based on the EPA’s review of the information received, and the records submitted by Respondent, the EPA determined that on or about August 2, 2023, Respondent entered into a contract to lease the residential dwelling located at 49 Hazel Street, Unit A, Porterdale, Georgia 30014, that was built in 1916 and is “target housing,” as defined in 40 C.F.R. § 745.103.
19. The EPA also determined that after entering into the contract to lease the property, Respondent did not retain a copy of the completed attachment containing the information required under 40 C.F.R. § 745.113(b) for at least three (3) years from the commencement of the leasing period, as required by 40 C.F.R. § 745.113(c)(1).

V. ALLEGED VIOLATION

20. Based on the information and records received, as set forth in Section IV above, the EPA alleges that after entering into the contract to lease the residential dwelling of target housing as described in Paragraph 18, Respondent failed to retain a copy of the completed attachment containing the information required under 40 C.F.R. § 745.113(b) for at least three (3) years from the commencement of the leasing period, in violation of 40 C.F.R. § 745.113(c)(1).

- b. acknowledges that this CAFO constitutes an enforcement action for purposes of considering Respondent's compliance history in any subsequent enforcement actions;
- c. waives any rights it may possess at law or in equity to challenge the authority of the EPA to bring a civil action in a United States District Court to compel compliance with the CAFO, and to seek an additional penalty for such noncompliance, and agrees that federal law shall govern in any such civil action;
- d. waives any right it may have pursuant to 40 C.F.R. § 22.8 to be present during any discussions with, or to be served with and reply to, any memorandum or communication addressed to the EPA officials where the purpose of such discussion, memorandum, or communication is to persuade such official to accept and issue this CAFO;
- e. waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the Final Order accompanying this Consent Agreement;
- f. by executing this CAFO, certifies to the best of its knowledge that Respondent is currently in compliance with all relevant requirements of 40 C.F.R. Part 745, Subpart F, and the Act, and that all violations alleged herein, which are neither admitted nor denied, have been corrected; and

VII. TERMS OF PAYMENT

- 25. Respondent consents to pay a civil penalty, which was calculated in accordance with the Act, in the amount of **TWO HUNDRED DOLLARS (\$200.00)**, which shall be paid within thirty (30) days of the Effective Date of this CAFO.
- 26. Respondent shall pay the civil penalty and any interest, fees, and other charges due using any

method, or combination of appropriate methods, as provided on the following EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions, see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>. In addition, Respondent shall identify every payment with Respondent's name and the docket number of this CAFO, Docket No. TSCA-04-2026-6103(b).

27. Respondent shall send proof of payment **via email**, within twenty-four (24) hours of payment of the civil penalty, to:

Regional Hearing Clerk

and

28. "Proof of payment" means, as applicable, confirmation of credit card or debit card payment, confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. TSCA-04-2026-6103(b).
29. **Interest, Charges, and Penalties on Late Payments.** Pursuant to 15 U.S.C. § 2615, 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay any portion of the civil penalty under this CAFO, the entire unpaid balance of the civil penalty and all accrued interest shall become immediately due and owing, and the EPA is authorized to recover the following amounts.
- a. **Interest.** Interest will begin to accrue from the Effective Date of this CAFO. If the civil penalty is paid in full within thirty (30) days, interest accrued is waived. If the civil penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the civil penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the IRS standard underpayment rate, as any lower rate would fail to provide Respondent adequate incentive for timely payment.
 - b. **Handling Charges.** Respondent will be assessed monthly a charge to cover the EPA's costs of processing and handling overdue debts. If Respondent fails to pay the civil penalty in accordance with this CAFO, the EPA will assess a charge to cover the costs of

handling any unpaid amounts for the first thirty (30) day period after the Effective Date. Additional handling charges will be assessed each subsequent thirty (30) days, or any portion thereof, until the unpaid portion of the civil penalty, as well as any accrued interest, penalties, and other charges are paid in full.

- c. Late Payment Penalty. A late payment penalty of six percent (6%) per annum, will be assessed monthly on all debts, including any unpaid portion of the civil penalty, interest, and other charges, that remain delinquent more than ninety (90) days.

- 30. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions may include, but are not limited to, the following:
 - a. Refer the debt to a credit reporting agency or a collection agency (see 40 C.F.R. §§ 13.13 and 13.14);
 - b. Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (see 40 C.F.R. Part 13, Subparts C and H);
 - c. Suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (see 40 C.F.R. § 13.17); and/or
 - d. Per 15 U.S.C. § 2615(a), the Attorney General will bring a civil action in the appropriate district court to recover the full remaining balance of the debt plus interest. In any such action, the validity, amount, and appropriateness of the civil penalty shall not be subject to review.

- 31. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.

- 32. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF THE CAFO

- 33. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
- 34. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other

equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).

35. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
36. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
37. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
38. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
39. Any changes pertaining to the ownership and/or management of the residential dwelling identified in Paragraph 18, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
40. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
41. By signing this Consent Agreement, the Complainant and Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
42. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
43. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
44. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
45. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent

that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.

46. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

47. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
