ASSENTED TO MOTION TO EXTEND TIME TO FILE AN ANSWER

Now comes Respondent, Cold Storage Solutions II, Inc. (“CSS-II”) and hereby moves, with the assent of the United States Environmental Protection Agency (the “EPA”), to extend the date for CSS-II to file its Answer to the EPA’s Administrative Complaint and Notice of Opportunity for Hearing to **March 7, 2014**.

In support of this motion, CSS-II states the following:

1. The EPA assents to this motion.
2. The parties are still actively and diligently attempting in good faith to reach an agreed-upon resolution of this action.
3. This extension of time is requested to allow additional time for CSS-II and the EPA to further discuss, and hopefully resolve, this matter.
4. No party will be prejudiced by the allowance of this motion and the case's progress will not be unreasonably delayed. An extension is needed, in part, to allow an adequate period for CSS-II to collect and provide certain information, and for the EPA to review such information in connection with a possible settlement.

WHEREFORE, CSS-II respectfully requests that its Assented to Motion to Extend Time to File an Answer be allowed.

Respectfully submitted,

COLD STORAGE SOLUTIONS II, INC.
