Re: Closure of Administrative Order, South Circle Improvement and Service District Public Water System, PWS ID #WY5601640, Docket No. SDWA-08-2011-0067

Dear Mr. Murphy:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2011-0067, issued on September 13, 2011, to the South Circle Improvement and Service District (District), as owner and/or operator of the South Circle Improvement and Service District Public Water System. The EPA has determined that the District has complied with the terms of the Order and therefore we will close the Order at this time. However, please note that the Administrative Order issued to the District on August 27, 2012, under Docket No. SDWA-08-2012-0047, and its associated Addendum issued on September 30, 2013, remain in effect.

Also, please be aware that the Company is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Mario Mérida at 303-312-6297. We thank you for resolving these issues.

Sincerely,

Kimberly Pardue-Welch, Team Leader
