Respondent.	§	

EXPEDITED SETTLEMENT AGREEMENT AND FINAL ORDER

1. The U.S. Environmental Protection Agency, Region 6 (“EPA” or “Complainant” alleges that Sharp International Services, LLC (“Respondent”) failed to comply with Section 7(c) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), 7 U.S.C. § 136e(c).

2. Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), requires any producer operating an establishment registered under Section 7 of FIFRA, 7 U.S.C. § 136e(c), to inform the EPA of the types and amounts of pesticides and, if applicable, active ingredients used in producing pesticides, which the producer is currently producing, which the producer has produced during the past year, and which the producer has sold or distributed during the past year. The information required by Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), must be kept current and submitted to the EPA annually as required under any regulation issued pursuant to Section 7 of FIFRA, 7 U.S.C. § 136e.

3. The regulations at 40 C.F.R. Part 167 set out the registration and reporting requirements for pesticide and active ingredient producing establishments. Pursuant to 40 C.F.R. § 167.85(d), a producer operating an establishment must submit an initial report no later

than 30 days after the first registration of each establishment the producer operates.

Thereafter, the producer must submit an annual report on or before March 1 of each year, even if the producer has produced no pesticidal product for that reporting year.

4. Respondent operates the establishment assigned EPA Establishment Number 97384-TX-1 located in Cleveland, Texas.

5. Respondent failed to timely submit annual pesticide production reports on or before the annual reporting deadlines of March 1, 2023, and March 1, 2024, for EPA Est. No. 97384-TX-1.

6. Respondent's failure to timely submit annual pesticide production reports on or before the annual reporting deadlines of March 1, 2023, and March 1, 2024, for EPA Est. No. 97384-TX-1 is a violation of Section 7(c) of FIFRA, 7 U.S.C. § 136e(c).

7. The EPA is authorized to enter into this Expedited Settlement Agreement and Final Order ("Agreement"), and this proceeding for the assessment of a civil penalty is simultaneously commenced and concluded, pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), and 40 C.F.R. § 22.13(b).

8. In signing this Agreement, Respondent: (a) admits that Respondent is subject to the requirements set forth above; (b) admits that the EPA has jurisdiction over Respondent and Respondent's conduct as alleged herein; (c) neither admits nor denies the factual allegations contained herein; (d) consents to the assessment of this penalty; and (e) waives any right to contest the allegations contained herein, and its right to appeal the proposed Final Order attached hereto.

9. By signature below, Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent: (a) has corrected the alleged violations, and has submitted true and accurate documentation of such correction along with this Agreement; (b) has provided a deposit for payment of the civil penalty as set forth below; (c) has submitted a true and accurate proof of deposit for payment of the civil penalty along with this Agreement; and (d) agrees to release the deposit for payment to EPA upon entry of the Final Order attached hereto.

10. The EPA and Respondent agree that settlement of this matter for a civil penalty in the amount of Five Hundred Dollars (\$500.00) is in the public interest. Respondent certifies that it has provided a deposit for payment for the full civil penalty amount, and that such payment identified Respondent by name and docket number, was made by certified or cashier's check made payable to the "United States Treasury" and sent to:

11. Respondent understands that its failure to timely pay any portion of the civil penalty may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall begin to accrue on a civil or stipulated penalty from the date of delinquency until such civil or stipulated penalty and any accrued interest are paid in full. 31 C.F.R. § 901.9(b)(1). Interest will be assessed at a rate of the United States Treasury Tax and loan rates in accordance with 31 U.S.C. § 3717. Additionally, a charge will be assessed to cover the costs of debt collection including processing and handling costs, and a non-payment penalty charge of six percent (6%) per year compounded annually will be assessed on any portion of the debt which remains delinquent more than ninety (90) days after payment is due. 31 U.S.C. § 3717(e)(2).

12. Full payment of the civil penalty shall only resolve Respondent's liability for federal civil penalties for the violations alleged herein. The EPA reserves the right to take any enforcement action with respect to any other past, present, or future violations of FIFRA or any other applicable law.

13. The penalty specified herein shall represent civil penalties assessed by EPA and shall not be deductible for purposes of Federal, State and local taxes.

14. Upon signing and returning this Agreement to the EPA, Respondent waives the opportunity for a hearing or appeal pursuant to FIFRA.

15. Each party shall bear its own costs and fees, if any.
