In the Matter of

CWM CHEMICAL SERVICES, LLC,

Respondent,

Proceeding under Section 325(c)  
of Title III of the Superfund  
Amendments and Reauthorization Act,

Docket No. EPCRA-02-2010-426

**RESPONDENT'S MOTION TO CONTINUE DATE FOR FILING OF ANSWER**

The Respondent, CWM Chemical Services, LLC ("CWM"), moves the Regional Judicial Officer ("RJO") for an Order continuing the date for filing its answer from August 2, 2012 to September 17, 2012.

By orders dated October 27, 2010, November 24, 2010, January 18, 2011, February 14, 2011, April 8, 2011, June 6, 2011, August 3, 2011, October 7, 2011, January 10, 2012, March 20, 2012, and May 16, 2012, the RJO granted the requests of CWM for an extension of the time for CWM to file an answer in the above-captioned matter through August 2, 2012. During that time, CWM has engaged in constructive dialogue with EPA Region 2 staff and counsel. On April 15, 2012, EPA and CWM agreed to a settlement in principle and requested an additional 45-day extension to complete the settlement.

Counsel for EPA has informed CWM's counsel that completion of the settlement has been delayed due to illness of personnel at EPA and has authorized CWM to inform the RJO that EPA concurs with this further request for a 45-day extension.

CWM is therefore requesting an additional 45-day extension through September 17, 2012  
in order to complete the settlement.
