III. GOVERNING LAW

A. Requirements Pertaining to Leasing of Target Housing

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of “target housing.” Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term “target housing” is defined at 40 C.F.R. § 745.103, to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
9. The term “residential dwelling” is defined at 40 C.F.R. § 745.103, to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term “lessor” is defined at 40 C.F.R. § 745.103, to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. The term “lessee” is defined at 40 C.F.R. § 745.103, to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term “agent” is defined at 40 C.F.R. § 745.103, to mean any party who enters into a contract with a lessor, including any party who enters into a contract with a representative of the lessor, for the purpose of leasing target housing.
13. The term “lead-based paint free housing” is defined at 40 C.F.R. § 745.103, to mean target housing that has been found to be free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or 0.5 percent by weight.
14. Pursuant to 40 C.F.R. § 745.113(b)(3), each contract to lease target housing shall include, as an

attachment or within the contract, in the language of the contract (e.g., English, Spanish): a list of any records or reports available to the lessor pertaining to lead-based paint and/or lead-based paint hazards in the housing that have been provided to the lessee. If no such records or reports are available, the lessor shall so indicate.

15. Pursuant to 40 C.F.R. § 745.115(a), each agent shall ensure compliance with all requirements of 40 C.F.R. Part 745, Subpart F. To ensure compliance, the agent shall:
 - a. Pursuant to 40 C.F.R. § 745.115(a)(1), inform the lessor of his/her obligations under 40 C.F.R. §§ 745.107, 745.110, and 745.113.
 - b. Pursuant to 40 C.F.R. § 745.115(a)(2), ensure that the lessor has performed all activities required under 40 C.F.R. §§ 745.107, 745.110, and 745.113, or personally ensure compliance with the requirements of 40 C.F.R. §§ 745.107, 745.110, and 745.113.

B. Requirements Pertaining to Repair, Renovation, and Painting of Target Housing

16. Pursuant to Sections 402 and 406 of TSCA, 15 U.S.C. §§ 2682 and 2686, the EPA Administrator promulgated the “Residential Property Renovation Rules” at 40 C.F.R. Part 745, Subpart E, including the Pre-Renovation Education Rule; Renovation, Repair, and Painting Rule; and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.
17. In accordance with 40 C.F.R. § 745.83, the definition of “target housing” found in the definitions set forth in 40 C.F.R. § 745.103, and restated in Paragraph 8 above, applies to the regulations in 40 C.F.R. Part 745, Subpart E.
18. The term “renovation” is defined at 40 C.F.R. § 745.83, to mean, in part, the modification of any existing structure or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an “abatement” as defined at 40 C.F.R. § 745.223. The term renovation includes but is not limited to the following: the removal, modification, or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); and the removal of building components (e.g., walls, ceilings, plumbing, windows).
19. The term “firm” is defined at 40 C.F.R. § 745.83, to mean a company, partnership, corporation, sole proprietorship, or individual doing business, association or other business entity; a Federal, State, Tribal, or local government; or a nonprofit organization.
20. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.
21. Persons who violate 40 C.F.R. Part 745, Subparts E and F, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

IV. FINDINGS OF FACTS

22. Respondent is, and was at all times relevant to this CAFO, an “agent” that offered contracts to lease “residential dwellings” that are “target housing” on behalf of a “lessor” as those terms are defined at 40 C.F.R. § 745.103, and a “firm” that performs “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
23. On June 6, 2024, an inspector with the EPA conducted an inspection at Respondent’s place of business located at 1 Chick Springs Road, Suite 301-B, Greenville, South Carolina 29609, for the purpose of evaluating Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subparts E and F.
24. Subsequent to the inspection, on August 22, 2024, the inspector requested copies of Respondent’s records in order to evaluate Respondent’s compliance with 40 C.F.R. Part 745, Subparts E and F.
25. On September 4, 2024, Respondent submitted records to the EPA for review to evaluate its compliance with 40 C.F.R. Part 745, Subparts E and F.
26. On May 6, 2025, the EPA inspector requested additional records from Respondent to evaluate its compliance with 40 C.F.R. Part 745, Subparts E and F.
27. On May 22, 2025, Respondent submitted additional records to the EPA for review to evaluate its compliance with 40 C.F.R. Part 745, Subparts E and F.
28. Based on a review of Respondent’s records, the EPA determined that Respondent, working as an agent on behalf of the lessor, had entered into contracts to lease the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a. 4 Madden Street, Greenville, South Carolina 29605, built in 1955, lease entered into on June 24, 2024;
 - b. 29 Skyland Drive, Greenville, South Carolina 29607, built in 1966, lease entered into on August 23, 2024; and
 - c. 810 Townes Street, Unit B, Greenville, South Carolina 29609, built in 1954, lease entered into on September 3, 2024.
29. The records submitted by Respondent failed to demonstrate that prior to entering into the leases referenced in Paragraph 28, Respondent had included, as an attachment to or within the language of the contracts to lease target housing, a list of any records or reports available to the lessor pertaining to lead-based paint and/or lead-based paint hazards in the target housing that were provided to the lessee, or a statement indicating that no such records or reports were available, as required by 40 C.F.R. § 745.113(b)(3).
30. Based on a review of Respondent’s records, the EPA determined that Respondent performed, offered, or claimed to perform, “renovations,” as that term is defined at 40 C.F.R. § 745.83, for compensation at the following locations (“the Properties”):

- a. 320 Douthit Street, Greenville, South Carolina 29601, on or about January 13, 2025; and
 - b. 4 Madden Street, Greenville, South Carolina 29605, on or about May 20, 2025.
31. The Properties were constructed before 1978 and are “target housing” as defined at 40 C.F.R. § 745.103.
32. At the time that the renovation work was being performed, Respondent had not obtained “firm certification,” as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

V. ALLEGED VIOLATIONS

33. Based on the EPA’s review of Respondent’s records as described in Section IV above, the EPA alleges that Respondent, in its capacity as an agent concerning the leasing of target housing described in Paragraph 28, failed to include as an attachment or within the language of the contract to lease target housing a list of any records or reports available to the lessor pertaining to lead-based paint and/or lead-based paint hazards in the housing that had been provided to the lessee, or a statement indicating that no such records or reports were available, in violation of 40 C.F.R. § 745.113(b)(3).
34. Based on the EPA’s review of Respondent’s records as described in Section IV above, the EPA alleges that, in the course of the renovation of the Properties set forth in Paragraph 30, Respondent, in its capacity as a firm, failed to apply to the EPA and obtain firm certification to perform, offer, or claim to perform renovations for compensation, in violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

43. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).
 - b. Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not

paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).

- c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

- 44. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:
 - a. refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
 - b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
 - c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
 - d. refer the debt to the Department of Justice for litigation as provided in 40 C.F.R. § 13.33.
- 45. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF THE CAFO

- 46. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
- 47. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
- 48. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
- 49. Nothing herein shall be construed to limit the power of the EPA to undertake any action against

Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.

50. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
51. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
52. Any change in the legal status of Respondent, or changes pertaining to the ownership or management of the residential dwellings identified in Paragraphs 28 or 30, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
53. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
54. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
55. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
56. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
57. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
58. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.

59. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

60. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
