### I. NEED FOR AN EXTENSION

On, Thursday, June 14, 2012, Lawrence Hill and Brian McCann, Trustees of the Albee Realty Trust ("Albee") received the Administrative Complaint and Notice of Opportunity for Hearing ("Complaint") in the above captioned matter. The EPA case attorney, Kathleen Woodward, notified Albee of issuance of the Complaint, Albee contacted me on Monday, June 18, 2012, to seek representation in the matter. Since that time I have met with Albee, discussed the matter with Ms. Woodward and gathered background information. Based on the results of this initial investigation, Albee requests a thirty (30) day extension of the deadline for filing an answer to the administrative complaint and the time in which to request a Hearing.

This extension is necessary in order to explore the possibility for settlement of this matter so that Albee can avoid incurring unnecessary litigation costs. We have scheduled an informal settlement conference with EPA Region I on July 18, 2012 as the first step in exploring settlement. It would impose an unnecessary and wasteful financial burden on Albee to require preparation of an answer to the Administrative Complaint if, as appears possible, settlement of this matter and full compliance with the relevant regulations can be achieved without having to do so. The requested thirty day extension should provide sufficient time to determine if a settlement is likely.

Legal counsel for EPA Region I, Kathleen Woodward, has indicated that she has no objections to this extension of time in which to answer the Administrative Complaint, until Monday, August 13, 2012.

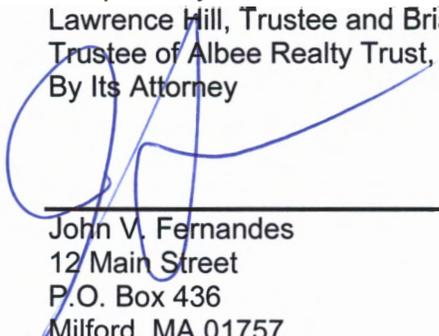

## II. AUTHORITY TO GRANT AN EXTENSION

The Presiding Officer may grant an extension of time for filing any document, including a written answer to an administrative complaint, upon timely motion of a party to the proceeding, for good cause shown, and after consideration of prejudice to other parties, under the Consolidated Rules of Practice, 40 C.F.R. sec. 22.7(b). This Motion is made sufficiently in advance of the due date of July 13, 2012 to allow other parties to respond and to allow the Presiding Officer to issue an Order, especially in light of the acquiescence of EPA counsel to issuance of the requested extension.

## III. REQUEST FOR EXTENSION

Because there is no prejudice to any other party and there is good cause for an extension of time in which to file an Answer to the Administrative Complaint, Albee respectfully requests that the time for filing an Answer to this Complaint be extended to Monday, August 13, 2012.

Respectfully submitted,  
Lawrence Hill, Trustee and Brian McCann,  
Trustee of Albee Realty Trust,  
By Its Attorney
