Re: *Mack Studios, Inc. – Docket No. CWA-02-2015-3404*  
*Request for Additional Extension*

Dear Judge Ferrara:

The U.S. Environmental Protection Agency (“EPA”) extended the time for Mack Studios, Inc. and Peter Maciulewicz to answer the Administrative Complaint (the “Complaint”) in the referenced matter until November 16, 2015.

This letter is submitted to request an additional extension of time until January 15, 2016 to serve an answer to the Complaint and, if necessary, to request a hearing in this matter. The parties have reached a settlement in principle, and EPA will soon be providing a Consent Agreement/Final Order (“CAFO”) for review. It is our expectation that a mutually agreeable CAFO can be finalized within the next two months. Please note that EPA Assistant Regional Counsel Tim Murphy has consented to this request.

We are submitting the original of this letter and one copy to Karen Maples, the Regional Hearing Clerk, and an electronic copy of this letter to Mr. Murphy.
