ORDER GRANTING RESPONDENT'S MOTION FOR EXTENSION  
OF TIME TO FILE ANSWER

By motion filed October 7, 2010, Respondent, Crown Chrome Plating seeks an extension that will allow Respondent additional time to file an answer to the Complaint. Respondent did not specify how many additional days they will need to respond to the Complaint.

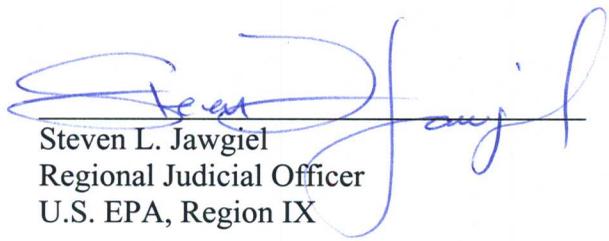

Consolidated Rules of Practice, 40 C.F.R. § 22.07(b), provides that a motion for extension of time may be granted "for good cause shown, and after consideration of prejudice to other parties."

On the basis of the motion, it appears that good cause exists for the extension of time, and there will be no prejudice to either party from granting the requested extension. Complainant, the United States Environmental Protection Agency, informed me it does not oppose this motion.

IT IS THEREFORE ORDERED THAT:

The time for Respondent to answer the Complaint and request a hearing is extended to and including December 10, 2010.

Dated: October 25, 2010

Regional Judicial Officer
