Within 10 calendar days of completing all steps included in the above Schedule, please notify the EPA of the project’s completion as required by the Order. The Order also requires the Happy Valley Improvement & Service District to achieve and maintain compliance with the filtration and disinfection requirements by the final date specified in the approved Schedule. The EPA is authorized to seek penalties if these deadlines are not met. If the Happy Valley Improvement & Service District has a reasonable basis to believe it may be unable to meet any deadline in the Schedule, it must notify the EPA well in advance of the Scheduled deadline to request an extension. The EPA may, in its discretion, consider granting an extension.

You are required to provide the EPA with quarterly progress reports, starting by December 31, 2023.

If you have any questions or to request an informal conference with the EPA, please contact Christina Carballal via email at [carballal-broome@epa.gov](mailto:carballal-broome@epa.gov), or by phone at (800) 227-8917, extension 6046, or (303) 312-6046.
