2. This Amended Consent Agreement and Final Order (Amended CAFO) serves as notice that EPA has reason to believe that Respondent has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Director of the Water, Wetlands and Pesticides Division (WWPD), EPA, Region 7.

The Respondent is and was at all times referred to in this CAFO, a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and a corporation qualified to do business in the state of Iowa.

Statutory and Regulatory Background

5. Section 12(a)(2)(F) of FIFRA states that it shall be unlawful for any person to distribute or sell, or to make available for use, or to use, any registered pesticide classified for restricted use for some or all purposes other than in accordance with section 136a(d) of this title and any regulations thereunder, except that it shall not be unlawful to sell, under regulations issued by the Administrator, a restricted use pesticide to a person who is not a certified applicator for application by a certified applicator. 7 U.S.C. § 136j(a)(2)(F).

6. The term "to distribute or sell" means to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver. 7 U.S.C. § 136(gg).

Factual Allegations

7. Respondent, at all times relevant, operated as a wholesale distributor of agricultural chemicals including pesticides, insecticides, and fertilizers in Elma, Iowa.

8. On November 16, 2007, a representative of the Iowa Department of Agriculture and Land Stewardship (IDALS) conducted an inspection of the Respondent's Elma, Iowa facility.

9. During the inspection, the IDALS representative observed that Respondent offered for sale or distribution Aatrex 4L, bearing EPA Registration Number 100-497. The Aatrex 4L label bears the statement that the product is a Restricted Use Pesticide (RUP).

10. The IDALS representative reviewed the sales receipts of individuals who purchased RUPs from Respondent. The documentation revealed that an individual purchased 25 gallons of Aatrex 4L on June 7, 2007, whose certification expired on December 31, 2001.

11. On November 26, 2007, the IDALS representative obtained a statement from the individual who purchased the Aatrex 4L. The individual stated that it did not occur to him that he needed to be certified to use the Aatrex 4L, and that he sprayed his fields himself.

VIOLATIONS

12. The Complainant hereby states and alleges that Respondent has violated FIFRA and federal regulations promulgated thereunder, as follows:

Count 1

13. Complainant hereby incorporates the allegations contained in Paragraphs 1 through 12 above, as if fully set forth herein.

14. Documentation collected during the November 16, 2007, inspection reveals that the RUP, Aatrex 4L, was sold to an uncertified applicator. The individual who purchased the Aatrex 4L applied the product without proper certification and did not purchase the product for use by a certified applicator.

15. Respondent violated Section 12(a)(2)(F) of FIFRA by distributing or selling a registered pesticide classified for restricted use for some or all purposes other than in accordance with section 136a(d) of this title and any regulations thereunder. 7 U.S.C. § 136j(a)(2)(F).

42. Failure to pay the assessed penalty may result in the referral of this matter to the United States Department of Justice (DOJ) for collection. If payment is not received on or before the due date, interest will be assessed at the annual rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717.
