2. This Complaint serves as notice that the United States Environmental Protection Agency (EPA) has reason to believe that Respondent has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Section II

Parties

3. The Complainant, by delegation from the Administrator of the EPA, and the Regional Administrator, EPA, Region VII, is the Director of the Water, Wetlands, and Pesticides Division, EPA, Region VII.
4. The Respondent is J & S Farm Supply, a pesticide producing establishment, located at 108 Highland, Williamsburg, Iowa 52631. The Respondent is and was at all times referred to in this Complaint, a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and a business incorporated under the laws of the state of Iowa.

Section III

Violations

General Allegations

5. The Complainant hereby states and alleges that Respondent has violated FIFRA as follows:
6. Respondent's facility at 108 Highland, Williamsburg, Iowa 52631, has been a registered pesticide producing establishment, having been so registered with the EPA pursuant to Section 7 of FIFRA, 7 U.S.C. § 136e, since 1982. Respondent's establishment number for said facility is EPA Est. No. 47609-IA-001.
7. Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), requires any producer operating a registered pesticide-producing establishment to inform EPA of the types and amounts of pesticides and, if applicable, active ingredients used in producing pesticides, which the establishment is currently producing, which it has produced during the past year, and which it has sold or distributed during the past year. The regulations found at 40 C.F.R. § 167.85(d) require the pesticides production report to be filed annually on or before March 1, even if the producer has produced no pesticide products for that reporting year.
8. In December 2003, EPA mailed an annual pesticide report form to Respondent with instructions that the form was to be completed and filed with EPA Region VII on or before March 1, 2004.
9. Respondent failed to comply with Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), and with regulations found at 40 C.F.R. § 167.85(d), in that it did not file its 2003 pesticide production report by March 1, 2004, as required.
10. In December 2004, EPA mailed an annual pesticide report form to Respondent with instructions that the form was to be completed and filed with EPA Region VII on or before March 1, 2005.
11. Respondent failed to comply with Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), and with regulations found at 40 C.F.R. § 167.85(d), in that it did not file its 2004 pesticide production report by March 1, 2005, as required.
12. In December 2006, EPA mailed an annual pesticide report form to Respondent with instructions that the form was to be completed and filed with EPA Region VII on or before March 1, 2007.
13. Respondent failed to comply with Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), and with regulations found at 40 C.F.R. § 167.85(d), in that it did not file its 2006 pesticide production report by March 1, 2007, as required.

15. Pursuant to Section 14 of FIFRA, 7 U.S.C. § 136l, and based upon the facts stated in paragraphs 6 through 14, it is proposed that a civil penalty of \$6,500 be assessed against Respondent.

Section IV

Total Proposed Penalty

16. Section 14 of FIFRA, 7 U.S.C. § 136l, and the Debt Collection Improvement Act of 1996, as implemented by the Civil Monetary Penalties Inflation Adjustment Rule, 40 C.F.R. Part 19, authorize the issuance of this Complaint for the assessment of a civil penalty of up to \$6,500 for each violation. The EPA proposes to assess a total civil penalty of \$6,500 against Respondent for the above-described violation.

Appropriateness of Proposed Penalty

17. The penalty proposed above has been calculated after consideration of the statutory factors set forth in Section 14 of FIFRA, 7 U.S.C. § 136l. Specifically, EPA considered the size of the business of Respondent, the effect of the proposed penalty on Respondent's ability to continue in business and the gravity of the alleged violations. In its calculation of the proposed penalty, EPA has taken into account the particular facts and circumstances of the alleged violations, with specific reference to EPA guidance for the calculation of proposed penalties under FIFRA (see enclosures: June 2007 Enforcement Response Policy for FIFRA Section 7(c) Pesticide Producing Establishment Reporting Requirement.)

18. For purposes of calculating the proposed penalty, EPA obtained financial information indicating that Respondent's total business revenues were in excess of \$1 million per year. This information placed Respondent in the "Category V" category size of business, as set forth in Section IV (Assessing a Civil Administrative Penalty) of the June 2007 Enforcement Response Policy for FIFRA Section 7(c) Pesticide Producing Establishment Reporting Requirement, enclosed hereto and incorporated herein by reference (see enclosures). If EPA's estimate of Respondent's total business revenues is incorrect, Respondent may submit reliable financial documentation indicating another category is appropriate.

19. Respondent has the right, upon submittal of certified financial information, to consideration of Respondent's financial condition in mitigation of the proposed penalty insofar as is necessary to permit Respondent to continue in business.

20. The proposed penalty constitutes a demand *only if* Respondent fails to raise bona fide issues of ability to pay, or other *bona fide* affirmative defenses relevant to the determination of any final penalty.

21. Said issues of ability to pay or other affirmative defenses relevant to a final penalty may and should be brought *to the attention* of Complainant at the earliest opportunity in this proceeding.

22. Payment of the total penalty - \$6,500 - may be made by certified or cashier's check payable to the "Treasurer, United States of America," and remitted to:

NOTICE OF OPPORTUNITY FOR HEARING

Section V

Answer and Request for Hearing

24. Pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136(a), Respondent has the right to request a hearing to contest any material fact contained in this Complaint or to contest the appropriateness of the penalty proposed herein. If Respondent wishes to avoid being found in default, Respondent must file a written answer and request for hearing with:

Regional Hearing Clerk
EPA - Region VII
901 North 5th Street
Kansas City, Kansas 66101

within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing. Said answer shall clearly and directly admit, deny, or explain each of the factual allegations contained in the Complaint with respect to which Respondent has any knowledge, or shall clearly state that Respondent has no knowledge as to particular factual allegations in the Complaint. The answer shall also state:

- A. The circumstances or arguments that are alleged to constitute the grounds of defense;
- B. The facts that Respondent intends to place at issue; and
- C. Whether a hearing is requested.

Failure to deny any of the factual allegations in the Complaint constitutes an admission of the undenied allegations.

25. Any hearing that is requested shall be held and conducted in accordance with the "Consolidated Rules of Practices Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits," 64 Fed. Reg. 40138, July 23, 1999 (copy enclosed).

26. If Respondent fails to file a written answer and request for hearing within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing, such failure will constitute a binding admission of all of the allegations in this Complaint, and a waiver of Respondent's right to a hearing under FIFRA. A Default Order may thereafter be issued by the Regional Administrator, and the civil penalties proposed therein shall become due and payable without further proceedings.

27. Respondent is advised that, after the Complaint is issued, the Consolidated Rules of Practice prohibit any ex parte (unilateral) discussion of the merits of any action with the EPA Regional Administrator, members of the Environmental Appeals Board, the Regional Judicial Officer, Administrative Law Judge, or any person likely to advise these officials in the decision of the case.

Section VI

Settlement Conference

28. Whether or not a hearing is requested, an informal settlement conference may be arranged at Respondent's request. Respondent may confer with the EPA concerning: (1) whether or not the alleged violation occurred; or (2) the appropriateness of the proposed penalty in relation to the size of Respondent's business, the gravity of the violation, and the effect of the proposed penalty on Respondent's ability to continue in business. Additionally, the proposed penalty may be adjusted if Respondent establishes a bona fide issue of ability to pay. To explore the possibility of settlement in this matter, contact:

Kent Johnson
Assistant Regional Counsel
EPA Region VII
901 North 5th Street
Kansas City, Kansas 66101
Telephone: (913) 551-7284

29. A request for an informal settlement conference does not extend the thirty (30) day period during which a written answer and request for a hearing must be submitted. The informal conference procedure may be pursued as an alternative to and simultaneously with the adjudicatory hearing procedure.

30. The EPA encourages all parties against whom a civil penalty is proposed to pursue the possibility of settlement. However, no penalty reduction will be made simply because an informal settlement conference is held. If settlement is reached, the parties will enter into a written Consent Agreement, and a Final Order will be issued. The issuance of such a Consent Agreement and Final Order shall constitute a waiver of Respondent's right to request a hearing on any matter stipulated to therein.
