40. Within three (3) months after the effective date of this CAFO, Respondent shall donate a minimum of six (6) LeadCare II blood lead analyzers and one box of LeadCare II test kits per analyzer to not-for-profit community health care clinics in Maricopa County, Arizona that possess a valid certificate of waiver pursuant to the federal Clinical Laboratory Improvement Amendments of 1988 (“CLIA Waiver”), 42 U.S.C. § 263a, and are approved by EPA pursuant to Paragraph 41 of this CAFO. In performing this SEP, Respondent shall donate one analyzer and one box of test kits per clinic.
41. The written notice must include the name and address of the clinic(s) as well as a copy of the CLIA waiver for the clinic. EPA shall review and approve or disapprove the identified clinic(s) at least ten (10) calendar days prior to donation.

  - e. neither Respondent nor the recipient clinics will receive reimbursement from another person or entity for any portion of the SEP; and
  - f. for federal income tax purposes, Respondent will not deduct any cost or expenditure incurred in performing the SEP.
46. Respondent shall maintain legible copies of all documentation relevant to the SEP and report submitted to EPA pursuant to this CAFO for a minimum of one (1) year from

If Respondent is not granted an extension of time pursuant to Paragraph 42 and fails to complete the donation within the deadline set forth in Paragraph 40 and expend the minimum amount set forth in Paragraph 43, Respondent must pay a stipulated penalty of the difference between \$14,940 and the amount that Respondent actually spent in accordance with this CAFO, plus an additional 10% of the remaining balance. If Respondent fails to submit to EPA the Final Report by the deadline set forth in Paragraph 44, upon EPA’s written request, Respondent must pay a stipulated penalty of \$150 for each day that the report is delinquent until Respondent submits the report.

Interest will be assessed at an annual rate that is equal to the rate of current value of funds

to the United States Treasury (i.e., the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury in the Federal Register and the Treasury Fiscal Requirements Manual Bulletins. 40 C.F.R. § 13.11(a)(1). Penalty charges will be assessed monthly at a rate of 6% per annum. 40 C.F.R. § 13.11(c). In addition, if this matter is referred to another department or agency (e.g., the Department of Justice, the Internal Revenue Service), that department or agency may assess its own administrative costs, in addition to EPA's administrative costs, for handling and collecting Respondent's overdue debt.
