In accordance with the Regional Judicial Officer’s Order of July 11, 2023, the undersigned submits this Joint Status Report on behalf of both parties.

The parties agree that Respondent, since the conference call with the Regional Judicial Officer held on June 28, 2023, submitted the outstanding CDR reports for dichloromethane and trichloroethylene identified in Count 1 of the Complaint.

The parties further agree that Respondent submitted additional updated financial information for analysis by EPA’s financial contractor. The parties met on August 9, 2023 to discuss the results of this analysis and remain far apart on settlement.

Respectfully submitted,
