Re: Closure of Administrative Orders, Fontenelle Creek Campground, PWS ID #5601140,
Docket No. SDWA-08-2012-0036, and Warren Bridge Campground PWS ID #5680147,
Docket No. SDWA-08-2012-0037

Dear Mr. Ruhs:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Orders (Orders) issued to the Bureau of Land Management (BLM), as owner and/or operator of the Fontenelle Creek and Warren Bridge Campgrounds on July 2, 2012. The EPA has determined that the BLM has complied with the requirements of the Orders and therefore we will close them at this time.

Please be aware that the BLM is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Kathelene Brainich at (303) 312-6481.

Sincerely,

Kimberly Pardue-Welch, Team Lead
