**COMPLAINANT'S RESPONSE TO RESPONDENT'S MOTION FOR AN  
EXTENSION TO FILE PREHEARING EXCHANGE**

The Complainant hereby submits her position on Respondent's letter motion for an extension of time to file its prehearing exchange.

The Presiding Officer's Prehearing Order of June 15, 2010 states that motions for extension of time will not be granted except upon a showing of good cause.

Respondent's letter motion, which Complainant received via facsimile on October 20, 2010, the day its prehearing exchange was due, makes no such showing.

However, in view of Respondent's *pro se* status and the relatively short period requested, Complainant does not on this occasion object to a seven-calendar-day extension of time for Respondent to effect its service and filing, but respectfully requests that the deadline for serving and filing her reply be extended by the same period.

Complainant also reserves the right to object to future motions for extension that are not

supported by a showing of good cause.

Respectfully submitted this 21<sup>st</sup> day of October 2010,

Thomas M. Williams
