MOTION TO ENLARGE TIME TO FILE PREHEARING EXCHANGE

Come now the respondents and request an extension of time within which to file their prehearing Exchange from the due date of Friday, 25 March 2011 until Monday, 11 April 2011. Grounds for this request are that the respondents' attorney, a solo practitioner, had been burdened with other urgent legal matters, including a motion for a preliminary injunction in another matter, and then suffered a period of time away from his office on sick leave.

Recently, counsel for the respondents just now is returning to duty and has requested the assistance of Michael Nash, Esq.¹ as co-counsel. Co-counsel is confident that he can have the pre-hearing exchange documents enroute to the clerk, judge and EPA counsel by the close of business on Friday, 8 April 2011. He anticipates that the documents will arrive for filing on Monday, 11 April 2011 and requests an extension until that date.

Respectfully submitted this 6th day of April 2011 at Friday Harbor, Washington.
