Re: Closure of Administrative Order, Diversion Dam Rest Area Public Water System,
PWS ID #5601042, Docket No. SDWA-08-2014-0033

Dear Mr. Panos:

This letter is to inform you of the EPA's decision to close the Administrative Order (Order) issued to the Wyoming Department of Transportation concerning the Diversion Dam Rest Area Public Water System (WDOT) on July 28, 2014. The EPA has determined that WYDOT has complied with the requirements of the Order.

Please be aware that WYDOT is still required to comply with the National Primary Drinking Water Regulations, 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$53,907 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Kathelene Brainich at (303) 312-6481.

Sincerely,
